

Upcoming MLS Rule Changes

The MLS Management Group (MMG) Committee passed two motions at their September meeting. These changes will go into effect October 16, 2023:

- 1. Amend Rule 6 Regional and Reciprocal Agreements to add Section 6.1 Reciprocal Agreement, and
- 2. Remove Rule 12.16(q) Search Result Limitation. This change removes the limitation of 500 results on your public-facing real estate website with approved IDX MLS data.
