

C.A.R Broker Compensation Compliance Page

Real estate broker and agent practice changes are coming or may already be in place. This site will help you, the REALTOR®, with answers to your questions, and allow you to be prepared to answer questions from your seller or buyer client, or other agents in the field. The focus will not be on the reasons for the changes, but rather how you can comply and compete in the new real estate marketplace. You can find more information [here](#).

C.A.R Open House Guidelines

C.A.R. is providing new guidance on open house procedures, including the use of registration sheets and non-agency agreements. Starting in late June 2024, agents can use C.A.R. Form OHNA-SI for visitor sign-ins to clarify representation and streamline communication. Learn more [here](#).

Forms Changes

C.A.R. is releasing more than 65 new forms during June and more than a dozen of them will address the NAR settlement agreement. A preview of the new forms is [here](#).
