Homeowners Insurance Resources

Securing homeowners insurance is a challenge facing many homebuyers in California. Information and resources from the California Association of REALTORS® (C.A.R.) can help agents in their conversations with clients about insurance issues.

The [homeowners insurance](#) section of the new C.A.R. [Smartzone](#) website has information about the current status of the insurance market in California, homeowners insurance FAQs, fire and defensible space information, and recordings of insurance-related webinars.

If you have any questions about Bay East advocacy activities or any government-related real estate issues you want Bay East to research, contact [David Stark](#), Bay East Chief Public Affairs and Communications Officer.
