Tip for Connecting with Clients: Voter Registration Reminder

Regardless of the type of home your client purchases, they need to register to vote if they have a new address. Helping them register is a great way to stay in touch and demonstrate the value of using a REALTOR®.

Registering is quick and easy using the [California Secretary of State](#) website.

Feel free to share this information with your clients who have recently purchased a home.

The registration deadline to participate in the March 5 primary election is Feb 20.

Want to make your voice heard? Be sure that you're [registered to vote](#), too!

If you have any questions about Bay East advocacy activities or any government-related real estate issues you want Bay East to research, contact [David Stark](#), Bay East Chief Public Affairs and Communications Officer.
