Government affairs update for the week of January 28, 2024

Flood Insurance Update

Funding for the National Flood Insurance Program (NFIP) is at risk - again.

According to the National Association of REALTORS® (NAR), unless Congress takes action, funding for the NFIP will expire Mar 8, 2024.

NAR is part of a coalition helping Congress understand the importance of the NFIP. NAR also has a [summary of what may happen](#) if the NFIP lapses.
