California Real Estate Issues on NAR Radar

National Association of REALTORS® (NAR) is very aware of economic and regulatory challenges impacting buyers, sellers, and real estate professionals in California.

Kevin Sears, the 2023 President of the National Association of REALTORS® (NAR), participated in the California Association of REALTORS® (C.A.R.) winter business meetings last week to hear from REALTORS® and share updates on NAR activities.

Sears and NAR First Vice President Kevin Brown, who is a Bay East member and former C.A.R. President, recorded a [brief video](#) that summarizes economic issues and NAR advocacy work in California and across the United States.

If you have any questions about Bay East advocacy activities or any government-related real estate issues you want Bay East to research, contact [David Stark](#), Bay East Chief Public Affairs and Communications Officer.
