REALTOR® Advocacy - What does NAR Believe?

REALTORS® associations at the local, state, and national levels are actively involved in policy making. What do they believe?

The National Association of REALTORS® (NAR), has a [new website](#) that describes its advocacy mission to make housing more affordable, available, and accessible.

The website includes information about the economic impact of homeownership, housing needs for middle-income households, and efforts to increase the capital gains exclusion and to keep the VA Home Loan Guaranty Program viable.

If you have any questions about Bay East advocacy activities or any government-related real estate issues you want Bay East to research, contact [David Stark](#), Bay East Chief Public Affairs and Communications Officer.
