Paragon MLS End-User License Agreement
On December 6, when you logged on to Paragon, you were directed to accept the End-User License Agreement (EULA). To accept the agreement, simply enter your name exactly as displayed on the EULA page. Watch this [quick video](#) to learn how.

We are required to register the MLS Database annually with the U.S. Copyright Office to maintain all copyright protections for the property listings compilation. As part of that process, every MLS user must renew the End Users License Agreement each year.
