APPENDIX A – CITABLE INFRACTIONS

APPENDIX B – VIRTUAL OFFICE WEBSITE (“VOW”) POLICY

1. **AUTHORITY.** An Association of REALTORS® or a regional grouping of Associations of REALTORS® ("AOR ") may maintain for the use of licensed real estate brokers and salespersons, and licensed or certified Appraisers, a Multiple Listing Service (hereinafter referred to as "MLS" or "service"), which shall be subject to the bylaws of the AOR and such rules and regulations as may be hereinafter adopted by the Board of Directors of the AOR (hereinafter "Board of Directors").

2. **PURPOSE.** A Multiple Listing Service is a means by which cooperation among Participants is enhanced; a means by which information is accumulated and disseminated to enable authorized Participants to prepare appraisals, analyses and other valuations of real property for bona fide clients and customers; a means by which Participants engaging in real estate appraisal contribute to common databases; and is a facility for the orderly correlation and dissemination of listing information among the Participants so that they may better serve their clients, customers and the public.

3. **MULTIPLE LISTING SERVICE & BUSINESS TECHNOLOGY COMMITTEE AND/OR TASK FORCE(S).**

The MLS shall be governed by the Multiple Listing Service & Business Technology Committee and/or Task Force(s) (hereinafter "MLS & Business Technology Committee and/or Task Force(s)") in accordance with the bylaws of the AOR and such rules and regulations as adopted by the Board of Directors. All actions of the MLS & Business Technology Committee and/or Task Force(s) shall be subject to the approval of the Board of Directors.

4. **PARTICIPATION AND AUTHORIZED ACCESS**

4.1 Participant. A Participant is any individual who applies and is accepted by the MLS, meets, and continues to meet all of the following requirements of either a broker Participant or an Appraiser Participant as defined below in sections 4.1.1 and 4.1.2.

4.1.1 Broker Participant. A broker Participant is a Participant who meets all of the following requirements:

- a. The individual or corporation, for which the individual acts as a broker/officer, holds a valid California real estate broker's license.
- b. The individual is a principal, partner, corporate officer, or branch office manager acting on behalf of a principal.
- c. The individual or the corporation for which the individual acts as a broker/officer cooperates with other brokers*;
- d. The individual has signed a written agreement to abide by the rules and regulations of the service in force at that time and as from time to time amended.
- e. The individual pays all applicable MLS fees; and
- f. The individual has completed any required orientation program of no more than eight (8) classroom hours within thirty (30) days after access has been provided, said individual to be given the opportunity to complete any mandated orientation and MLS class program remotely.

*Note: Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm cooperates means that the Participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS, shares information on listed property and makes property available to other brokers for showing to prospective purchasers and tenants when it is in the best interests of their client(s) "Actively" means on a continual and ongoing basis during the operation of the Participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a Participant or potential Participant that operates a real estate business on a part-time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a Participant or potential Participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the Participant or potential Participant as long as the level of service satisfies state law.

The key is that the Participant or potential Participant actively endeavors to cooperate with respect to properties of the type that are listed on the MLS in which participation is sought. Cooperation is the obligation to share information on listed property and to make property available to other brokers for showing to prospective purchasers and tenants when it is in the best interests of their client(s). This requirement does not permit an MLS to deny participation to a Participant or potential Participant (including a VOW that the Participant uses to refer customers to other Participants) if the Participant or potential Participant actively endeavors to cooperate. An MLS may evaluate whether a Participant or potential Participant "actively endeavors during the operation of its real estate business" to only if the MLS has a reasonable basis to believe that the Participant or potential Participant is in fact not doing so.

These requirements shall be applied in a nondiscriminatory manner to all Participants and potential Participants.

4.1.2 Appraiser Participant. An Appraiser Participant is a Participant who meets all of the following requirements:

- a. The individual holds a valid California Appraisers' certification or license issued by the Bureau of Real Estate Appraisers ("BREA") (also referred to as "Office" of Real Estate Appraisers of OREA).
- b. The individual is a principal, partner, corporate officer, or branch office manager acting on behalf of a principal.
- c. The individual has signed a written agreement to abide by the rules and regulations of the service in force at that time and as from time to time amended.
- d. The individual pays all applicable MLS fees; and
- e. The individual has completed any required orientation program of no more than eight (8) classroom hours within sixty (60) days after access has been provided, said individual to be given the opportunity to complete any mandated orientation program remotely.

4.1.3 Redundant Participant Qualifications. Participant type (Broker or Appraiser) must be selected during application for participation. Participant with both a California Real Estate Broker's license and a California Appraiser's certification or license must join as a "Broker Participant" to be listing broker under Section 4.6 or a buyer broker under section 4.7.

4.2 Subscriber. A Subscriber is an individual who applies and is accepted by the MLS, meets, and continues to meet all of the following requirements of either a real estate Subscriber or Appraiser Subscriber as defined below in sections 4.2.1 and 4.2.2:

4.2.1 Real Estate Subscriber. A real estate Subscriber is a Subscriber who meets all of the following requirements:

- a. The individual holds a valid California real estate salesperson's or broker's license;
- b. The individual is employed by or affiliated as an independent contractor with a broker Participant.
- c. The individual has signed a written agreement to abide by the rules and regulations of the service in force at that time and as from time to time amended.
- d. The individual pays all applicable MLS fees; and
- e. The individual has completed any required orientation program of no more than eight (8) classroom hours within thirty (30) days after access has been provided, said individual to be given the opportunity to complete any mandated orientation and MLS class program remotely.

4.2.2 Appraiser Subscriber. An Appraiser Subscriber is a Subscriber who meets all of the following requirements:

- a. The individual holds a valid California real estate Appraiser's certification or license issued by the DRE;
- b. The individual is employed by or affiliated as an independent contractor with an Appraiser Participant.
- c. The individual has signed a written agreement to abide by the rules and regulations of the service in force at that time and as from time to time amended.
- d. The individual pays all applicable MLS fees; and
- e. The individual has completed any required orientation program of no more than eight (8) classroom hours within thirty (30) days after access has been provided, said individual to be given the opportunity to complete any mandated orientation and MLS class program remotely.

4.2.3 Redundant Subscriber Qualifications. Subscriber-type real estate or Appraiser must correlate to the Participant type. A Subscriber who is both a California Real Estate licensee and California certified or licensed Appraiser must join as an R.E. Subscriber

unless their employing or affiliated Participant is an Appraiser Participant.

4.3 Clerical Users. Clerical users are individuals (whether licensed or unlicensed) under the direct supervision of an MLS Participant or Subscriber that perform only administrative and clerical tasks that do not require a real estate license or an Appraiser's certificate or license. Clerical Users may join the MLS through their employing Participant or Subscriber. The Participant shall be responsible for the conduct of the Clerical user. Clerical Users shall be linked in the system to at least one Participant. They may also be linked to a particular Subscriber. Each Participant and Subscriber shall notify the MLS of all clerical users employed by or affiliated as independent contractors with the Participant or Subscriber and shall immediately notify the MLS of any changes, additions, or deletions from the list. Clerical Users shall also be subject to the following requirements:

- a. Clerical users are given a unique passcode.
- b. Clerical Users must have any fees paid in full.
- c. Participant or Subscriber linked to the Clerical User may be fined, disciplined, or terminated for Clerical User's misconduct.
- d. Clerical Users shall sign a written agreement to abide by the rules and regulations of the MLS; and
- e. Clerical Users shall complete any required orientation program of no more than eight (8) classroom hours within thirty (30) days after access has been provided, said individual to be given the opportunity to complete any mandated orientation and MLS class program remotely.

4.4 Notification of Licensees. Each Participant shall provide the MLS with a list of all real estate licensees, or certified or licensed Appraisers employed by or affiliated as independent contractors with such Participant or with such Participant's firm and shall immediately notify the MLS of any changes, additions, or deletions from the list. This list shall include any licensees under any broker associate affiliated with the Participant.

4.5 Participation Not Transferable. Participation in the MLS is on an individual basis and may not be transferred or sold to any corporation, firm, or other individuals. Any reimbursement of MLS fees is a matter of negotiation between those transferring the business or determined by internal contract arrangement within the firm. However, providing the first Participant consents, the AOR shall allow a firm to designate a different person as a Participant within the firm without additional initial participation fees. The AOR may charge an administrative fee for this service of reassigning Participants within a firm.

4.6 Listing Broker Defined. For purposes of these MLS rules, a listing broker is a broker Participant who is also a seller's agent in accordance with Business and Professions Code § 10000 et. seq. who has obtained a written listing agreement by which the broker has been authorized to act as an agent to sell or lease the property or to find or obtain a buyer or lessee. Whenever these rules refer to the listing broker, the term shall include the real estate Subscriber, or a licensee retained by the listing broker but shall not relieve the listing broker of responsibility for the act or rule specified.

4.7 Buyer Broker Defined. For purposes of these MLS rules, a buyer broker is a Broker Participant who is also a buyer's agent as defined in Business and Professions Code Section 10000 et. seq. who acts in cooperation with a listing broker to find or obtain a buyer or lessee. The buyer broker may be the agent of the buyer or, if subagency is offered and accepted, may be the agent of the seller. Whenever these rules refer to the buyer broker, the term shall include the real estate Subscriber or licensee retained by the buyer broker but shall not relieve that broker Participant of responsibility for the act or rule specified.

4.8 Appraiser Defined. For purposes of these MLS rules, an Appraiser is an Appraiser Participant, Appraiser Subscriber, or a licensed or certified Appraiser acting for the Appraiser Participant or Appraiser Subscriber. Whenever these rules refer to the Appraiser, the term shall also include the Appraiser Subscriber, or a licensed or certified Appraiser employed by or affiliated as an independent contractor with the firm that employs the Appraiser but shall not relieve that Appraiser Participant of responsibility for the act or rule specified.

4.9 Denied Application. In the event an application for participation in the MLS is rejected by the MLS, the applicant, and his or her broker, if applicable, will be promptly notified in writing of the reason for the rejection. The broker shall have the right to respond in writing, and to request a hearing in accordance with the *California Code of Ethics and Arbitration Manual*.

4.10 Interim Training. Participants and Subscribers may be required, at the discretion of the MLS, to complete additional training of not more than four (4) classroom hours in any twelve (12) month period when deemed necessary by the MLS to familiarize Participants and Subscribers with system changes or enhancement and/or changes to MLS rules or policies. Participants and Subscribers must be given the opportunity to complete any mandated additional training remotely.

4.11 Subject to MLS Rules. By becoming and remaining a Participant, Subscriber or Clerical User, each Participant, Subscriber and Clerical User agrees to be subject to these MLS rules and regulations, the enforcement of which are at the sole discretion of the applicable Committee/Board of Directors.

5. MLS FEES AND CHARGES

5.1 Service Fees and Charges. The Board of Directors shall determine annually the amount of annual fees which may include the following service fees and charges:

5.1.1 Initial Participation and/or Application Fee: Applicants for MLS services may be assessed for initial participation and/or application fee.

5.1.2 Recurring Participation Fee: The recurring participation fee of each broker Participant shall be an amount times the total number of (1) the broker Participant plus (2) the number of salespersons who have access to and use of the MLS, whether licensed as brokers or salespersons, who are employed by or affiliated as independent contractors with such Participant or the Participant's firm. If more than one principal broker in the same firm elects to be a Participant, the number of salespersons in the firm will only be used once in calculating the recurring participation fees. A broker Participant is not obligated to pay recurring participation fees or other MLS fees and charges for real estate licensees affiliated with the Participant or the Participant's firm if such licensees work

out of a branch office of the Participant or the Participant's firm that does not participate in or otherwise use the MLS.

The recurring participation fee of each Appraiser Participant shall be an amount times the total number of (1) the Appraiser Participant plus (2) the number of Appraisers who have access to and use of the MLS, who are employed by or affiliated as independent contractors with such Participant or the Participant's firm. If more than one principal Appraiser in the same firm elects to be a Participant, the number of Appraisers in the firm will only be used once in calculating the recurring participation fees. An Appraiser Participant is not obligated to pay recurring participation fees or other MLS fees and charges for licensed or certified Appraisers affiliated with the Participant or the Participant's firm if such Appraisers work out of a branch office of the Participant or the Participant's firm that does not participate in or otherwise use the MLS.

5.1.3 Computer Access Fees: If applicable, the recurring computer access fee for each Participant shall be an amount times the total number of Subscribers and salespersons licensed or certified as Appraisers, brokers, or salespersons, who are employed by or affiliated as independent contractors with such Participant.

5.1.4 Certification of Nonuse. Participants may be relieved from payment under sections 5.1.2 and 5.1.4 hereunder by certifying in writing to the MLS that a licensed or certified person in the office is engaged solely in activities that do not require a real estate license or certification (clerical, etc.), or that the real estate licensee or licensed or certified Appraiser will not use the MLS or MLS compilation in any way. In the event a real estate licensee or Appraiser is found in violation of the nonuse certification, the Participant shall be subject to all MLS fees dating back to the date of the certification. The Participant and Subscriber may also be subject to any other sanction imposed for violation of MLS rules including, but not limited to, a citation and suspension or termination of participation rights and access to the service.

5.1.5 Clerical Users. Clerical users may be assessed application fees, computer access fees and other fees. The Participant for the clerical user shall be responsible for all such fees.

5.1.6 Other Fees. Other fees that are reasonably related to the operation of the MLS may be adopted.

5.2 Responsibility for Fees. In the event the MLS allows for direct billing or payment by a Subscriber for MLS fees, such fees shall be the exclusive obligation of that Subscriber regardless of whether such Subscriber becomes affiliated with a different Participant. If the MLS does not allow for direct billing or payment by a Subscriber for MLS fees, such fees shall be the responsibility of the Participant with whom the Subscriber was affiliated at the time the MLS fees were incurred. This section does not preclude in any way the ability of Participants to pursue reimbursement of MLS fees from current or past Subscribers or to establish agreements with Subscribers regarding payment or reimbursement of MLS fees.

6. REGIONAL AND RECIPROCAL AGREEMENTS.

The MLS & Business Technology Committee and/or Task Force(s) may recommend, subject to the Board of Directors' approval, that the MLS enter into reciprocal or regional agreements with other Associations of REALTORS® or MLS Corporations owned solely by Associations of REALTORS® to allow the other MLS Participants and Subscribers access to the service in exchange for comparable benefits to the Participants and Subscribers of this service.

6.1 Reciprocal Agreement. Bay East has entered into a regional cross pollination agreement (as amended from time to time, the "Cross Pollination Agreement") with MetroList®, The San Francisco Association of REALTORS® MLS, bridgeMLS, Contra Costa Association of REALTORS®, BAREIS MLS, and MLSListings®, CLAW and CRMLS in which the MLS listing data of each such organization is displayed in the MLS system of all the organizations. By submitting a listing in the MLS Data, Bay East members agree to cooperate with members of such organizations participating in the Cross Pollination Agreement for the purpose of selling the listed property to members of those organizations as they are made to Members pursuant to Section 11. By entering a listing into MetroList® Service Area, Members agree to abide by and are bound by the respective rules and regulations of MetroList®.

7. LISTING PROCEDURES

7.1 Listings Subject to Rules and Regulations of the Service. Any listing filed with the service is subject to the rules and regulations of the service.

7.2 Types of Listings; Responsibility for Classification. The service shall accept exclusive right to sell, seller reserved, open, and probate listings in accordance with California Business and Professions Code Sections 10018.14 through 10018.17 and Probate Code Section 10150 inclusive that satisfies the requirements of these MLS rules. Exclusive right to sell listings that contain any exceptions whereby the owner need not cooperate with particular individuals shall be classified for purposes of these rules as an exclusive right to sell listing, but the listing broker shall notify all Participants of the exceptions. It shall be the responsibility of the broker Participant and real estate Subscriber to properly classify the type of listing, and if necessary, obtain a legal opinion to determine the correct classification. By classifying the type of the listing, the listing broker certifies that the listing falls under the legal classification designated. The MLS shall have no affirmative responsibility to verify the listing type of any listing filed with the service. However, the MLS shall have the right to have legal counsel make a determination as to the classification of the listing type and if the listing broker does not reclassify it accordingly, the MLS shall have the right to reject or remove any such listing that it determines falsely represents the classification of listing type.

For violation of this section, see Appendix A, Citable Infractions.

7.2.1 Scope of Service; Limited Services Listings. Limited-Service listings are listings whereby the listing broker, pursuant to the listing agreement, will not provide one, or more, of the following services:

- (a) provide buyer brokers with any additional information regarding the property not already displayed in the MLS but instead gives buyer brokers authority to contact the seller(s) directly for further information.

- (b) accept and present to the seller(s) offers to purchase procured by buyer brokers but instead gives buyer brokers authority to present offers to purchase directly to the seller(s).
- (c) advise the seller(s) as to the merits of offers to purchase.
- (d) assist the seller(s) in developing communicating, or presenting counter-offers; or
- (e) participate on the seller(s) behalf in negotiations leading to the sale of the listed property.

Said Limited-Service listings will be identified with an appropriate code or symbol (e.g. "LS") in MLS compilations so potential buyer brokers will be aware of the extent of the services the listing broker will provide to the seller(s), and any potential for cooperating brokers being asked to provide some or all of these services to listing broker's clients, prior to initiating efforts to show or sell the property.

7.2.2 Scope of Service; MLS Entry-Only Listings. MLS Entry-Only listings are listings whereby the listing broker, pursuant to the listing agreement, will not provide any of the following services:

- (a) provide buyer brokers with any additional information regarding the property not already displayed in the MLS but instead gives buyer brokers authority to contact the seller(s) directly for further information.
- (b) accept and present to the seller(s) offers to purchase procured by buyer brokers but instead gives buyer brokers authority to present offers to purchase directly to the seller(s).
- (c) advise the seller(s) as to the merits of offers to purchase.
- (d) assist the seller(s) in developing communicating, or presenting counter-offers; or
- (e) participate on the seller(s) behalf in negotiations leading to the sale of the listed property.

Said MLS Entry-Only listings will be identified with an appropriate code or symbol (e.g., "EO") in MLS compilations so potential buyer brokers will be aware of the extent of the services the listing broker will provide to the seller(s), and any potential for buyer brokers being asked to provide some or all of these services to listing broker's clients, prior to initiating efforts to show or sell the property.

7.2.3 Scope of Service; Legal Obligations. The scope of service classifications set forth in these rules do not alter any obligations otherwise imposed on real estate licensees under California law, including Department of Real Estate regulations, statutory law, and common law. The MLS's acceptance or publication of listings eligible for MLS submission in no way constitutes a validation that said obligations have been met.

7.3 Types of Properties; Responsibility for Classification. The MLS shall accept listings that satisfy the requirements of these rules on the following types of property.

- Residential
- Residential Income

- Mobile Homes (only those that may be sold by a licensed real estate agent)
- Lots and Land
- Lease Rental
- Commercial Industrial for Lease
- Commercial Industrial for Sale
- Commercial Lots and Land
- Commercial Residential Income (Multi-Units 5+)
- Commercial Business Opportunity

It shall be the responsibility of the broker Participant and real estate Subscriber to properly classify the class of property listed, and if necessary, obtain a legal opinion to determine the correct classification. By specifying the class of property listed, the listing broker certifies that the listing falls under the classification designated. The MLS shall have no affirmative responsibility to verify the property class of any listing filed with the service. However, the MLS shall have the right to have legal counsel make a determination as to the classification of the property class and if the listing broker does not reclassify it accordingly, the MLS shall have the right to reject or remove any such listing that it determines falsely represents the property class of the listing. Submission of duplicate listings by the same Participant within the same property class is prohibited.

For violation of this section, see Appendix A, Citable Infractions.

7.4 Compliance with California and Federal Law. Notwithstanding any other provision of these MLS rules and regulations to the contrary, the service shall accept any listing that it is required to accept under California or federal law.

7.4.1 Time Frame Definitions. Unless otherwise expressly indicated where compliance time frames are set forth, “days” mean calendar days; “days after” means the specified number of calendar days after the occurrence of the event specified, not counting the calendar date on which the specified event occurs, and ending at 11:59 p.m. on the final day; and “days prior” means the specified number of calendar days before the occurrence of the event specified, not counting the calendar date on which the specified event is scheduled to occur. Where “business days” are expressly referenced, “days” exclude Saturdays, Sundays, and all recognized federal and state holidays.

7.5 Mandatory Submission. Within 1 business day of marketing or advertising a property to the public or within two (2) days after all necessary signatures of the seller(s) have been obtained on the listing or at the beginning date of the listing as specified in the contract, whichever is later, on any exclusive right to sell or seller reserved listing agreement for the sale of one to four-unit residential property and vacant lots located within the service area of the MLS, Broker Participants must input the listing to the service for cooperation with other Participants. Public marketing or advertising includes, but is not limited to, conveying or displaying any information about the property or its availability for sale through or on any: windows, signs, public-facing websites, social media, brokerage or franchise-operated websites (including IDX and VOW), digital communications marketing (ex: email, text or phone blasts, social media messaging), multi-brokerage or franchise listing sharing networks, flyers or written material or on any applications available to the public or through conducting an open house.

Only those listings that are within the service area of the MLS must be input. Open listings, rental listings or listings of property located outside the MLS's service area (see Section 7.7) are not required by the service but may be input at the Broker Participant's option.

For violation of this section, see Appendix A, Citable Infractions.

7.5.1 Clear Cooperation. Within one (1) business day of marketing a property to the public, the listing broker must submit the listing to the MLS for cooperation with other MLS Participants. Public marketing includes, but is not limited to, flyers displayed in windows, yard signs, digital marketing on public-facing websites, brokerage website displays (including IDX and VOW), digital communications marketing (email blasts), multi-brokerage listing sharing networks, and

applications available to the general public. The public would include anyone outside the Broker(s) and agent(s) licensed within a single brokerage and their clients.

7.6 Multiple Listing Options for Sellers.

7.6.1 Office Exclusive. A seller may choose an "office exclusive" marketing option for any exclusive right to sell or seller reserved listing agreement for the sale of one to four residential property and vacant lots located within the service area of the MLS. An "office exclusive" is a listing where the seller has directed the listing broker to not publicly market their property and to not disseminate it through the MLS to other MLS Participants and Subscribers. For "office exclusive" listings, the listing broker shall submit to the service within 1 business day after all necessary signatures of the seller(s) have been obtained on the listing agreement or at the beginning date of the listing as specified in the contract, whichever is later, a certification signed by the seller stating that the seller instructs listing broker to do no public marketing or advertising (as public marketing or advertising is defined in Section 7.5), and the seller refuses to authorize the listing to be disseminated by the service in the event listing broker commences any public marketing or advertising on an "office exclusive" listing, submission to the MLS for dissemination is required within one (1) business day thereafter in accordance with Section 7.5.

For violation of this section, see Appendix A, Citable Infractions.

7.7 Service Area. The MLS's service area shall be determined by the MLS & Business Technology Committee and/or Task Force(s), subject to approval by the Board of Directors. If the AOR has entered into regional MLS agreements, data share agreements, cross-pollination agreements or a regional MLS corporation with other MLSs and has enlarged the service area, submission of the type of listings specified in section 7.5 is mandatory for the area covered by the combined service areas of the Association's signatory to the regional MLS agreement or part of the regional MLS corporation. Submission of the type of listings specified in section 7.5 input into another MLS is sufficient if the MLS has entered into a cross-pollination agreement with Bay East.

7.7.1 Service Area Defined. The service area covers the following California Counties: Alameda, Contra Costa, Marin, Mendocino, Napa, Solano, Sonoma, Amador, El Dorado, Merced, Placer, Sacramento, San Joaquin, Stanislaus, Yolo, Monterey, San Benito, Santa Clara, Santa Cruz, San Mateo, Tuolumne and San Francisco.

7.8 Change of Listing Information. Listing brokers shall input any change in listing information including listed price or other change in the original listing agreement to the MLS within 1 day after the authorized change is received by the listing broker. By inputting such changes to the MLS, the listing broker represents that the listing agreement has been modified in writing to reflect such change or that the listing broker has obtained other legally sufficient written authorization to make such change.

For violation of this section, see Appendix A, Citable Infractions.

7.9 Withdrawal of Listing Prior to Expiration. Listings of property must be withdrawn from the MLS by the listing broker before the expiration date of the listing agreement if the listing broker has received written instructions from the seller to withdraw the listing from the MLS. Listing broker may withdraw any listing from the MLS within 1 day after providing the seller with written notice of the broker's intention to withdraw the listing based on a dispute with the seller regarding the terms of the listing agreement. The MLS may require the listing broker to provide a copy of any notice of dispute or any written instructions from the seller. Sellers do not have the unilateral right to require the MLS to cancel any listing. However, the MLS reserves the right to remove a listing from the MLS database if the seller can document that his or her listing agreement with the listing broker has been terminated or is invalid. Withdrawal from the MLS with the seller's consent does not relieve the obligation of the listing broker to report the sale and sales price if it closes escrow while the seller is represented by the listing broker.

For violation of this section, see Appendix A, Citable Infractions.

7.10 Contingencies. Any contingency or condition of any term in a listing shall be specified and noticed to the Participants and Subscribers.

7.11 Detail on Listings Filed with the Service. All listings input into the MLS shall be complete in every detail including full gross listing price, listing expiration date, and any other information required to be included as determined by the MLS & Business Technology Committee and/or Task Force(s) and approved by the Board of Directors. For listings, the property address must be input into the MLS where one exists at the time the listing is filed, or the parcel identification number must be input instead if the property address is unavailable. If no address or parcel identification number is available at the time the listing is filed, the listing must, at a minimum, contain a legal description of the property sufficient to describe the location of the property. Listings that are incomplete shall be ineligible for publication in the MLS and subject to immediate removal.

For violation of this section, see Appendix A, Citable Infractions.

7.11.1 List Date Definition. For MLS Data accuracy purposes, the "list date" field in the MLS shall be defined as the date of input into the MLS system.

7.12 No Compensation Specified on the MLS Listings. Participants, Subscribers, and their sellers are prohibited from making offers of compensation to buyer brokers and other buyer representatives in the MLS. Participants and Subscribers are prohibited from disclosing in the MLS, in any way, the total commission negotiated between the seller and the listing broker, or total broker compensation (i.e. combined compensation to both listing brokers and buyer

brokers). The MLS reserves the right to remove a listing from the MLS database that does not conform to the requirements of this section. This rule does not prevent sellers from offering buyer concessions on the MLS so long as such concessions are not limited to or conditioned on the retention of or payment to a Buyer Broker or other buyer representation.

For violation of this section, see Appendix A, Citable Infractions.

7.13 Consent to Act as Dual Agent. No buyer broker shall act as both an agent of the buyer and the seller without first contacting the listing broker and ascertaining that the seller has consented to such dual agency.

7.14 Broker Participant or Real Estate Subscriber as Principal. If a listing broker has any interest in property, the listing of which is to be disseminated through the service, that person shall disclose that interest on the MLS.

For violation of this section, see Appendix A, Citable Infractions.

7.15 Multiple Unit Properties. All properties which are to be sold or which may be sold separately must be indicated individually in the MLS and will be published separately. When part of a listed property has been sold, the listing broker shall input the appropriate changes on the MLS.

7.16 Expiration, Extension, and Renewal of Listings. Listings shall be changed to the appropriate off- market status on the expiration date specified on the listing unless the listing is extended or renewed by the listing broker. The listing broker shall obtain written authorization from the seller(s) before filing any extension or renewal of a listing. Any renewals or extensions received after the expiration date of the original listing shall be treated as a new listing and will be subject to any fees applicable to new listings. At any time and for any reason, the MLS has the right to request a copy of the seller's written authorization to extend or renew a listing. If a listing broker is requested to provide a copy of such authorization and does not do so within 1 day after the request, the listing shall be subject to immediate removal from the MLS.

7.16.1 Extension for Protected Buyer. In the event a listing broker's listing has been canceled or expired but a commission extension right for a protected buyer has been timely activated in the listing agreement and listing broker represents seller in said transaction, listing broker may be considered the "listing broker" for MLS reporting of sale as long as satisfactory documentation is presented to MLS.

7.17 Listings of Participants or Subscribers Suspended, Expelled or Resigned.

7.17.1 Failure to Pay MLS Fees, Resignation. When a Participant or Subscriber is suspended or expelled from the service for failure to pay MLS fees or charges, or if the Participant or Subscriber resigns from the service, the MLS shall cease to provide services to such Participant or Subscriber, including continued inclusion of listings in the MLS compilation of current listing information. In the event listings are removed from the MLS pursuant to this section, it shall be the sole responsibility of the Participant to notify the seller(s) that the property is no longer listed in the MLS.

7.17.2 Violation of MLS Rules. When a Participant or Subscriber is suspended or

expelled from the service for a violation of the MLS rules and regulations, the MLS shall cease to provide services to such Participant or Subscriber except that the listings in the MLS at the time of suspension or expulsion shall, at the suspended or expelled Participant's option, be retained in the MLS compilation of current listing information until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective. In the event listings are removed from the MLS pursuant to this section, it shall be the responsibility of the Participant to notify the seller(s) that the property is no longer listed in the MLS. If a suspended or expelled Participant opts to keep listings in the MLS until sold, withdrawn, or expired under this section 7.20.2, the Participant must comply with all applicable MLS rules and regulations during such time, or the MLS may immediately remove the listings for further display.

7.18 No Control of Commission Rates or Fees Charged by Participants. The MLS shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by Participants. Further, the MLS shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating Participants or between Participants and non-Participants.

For violation of this section, see Appendix A, Citable Infractions.

7.19 Right of Listing Broker and Presentation of Counter Offers. The listing broker has the right to participate in the presentation of any counter-offer made by the seller or lessor. The listing broker does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee (except where the buyer broker is a subagent). However, if the purchaser or lessee gives written instructions to the buyer broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instructions.

7.20 Auction Listings. Only auction listings that comply with these MLS Rules and Regulations, may be submitted to the Service. Auction listings entered into the MLS system shall have listing contracts as required under these rules, be clearly labeled as auction listings, in public remarks and under special information, and provide all the terms and conditions of the auction. Reserve auctions (i.e., auctions where sellers have a secret minimum price they do not disclose to the bidders and where the sellers reserve the right to accept or reject the highest bid) are not permitted on the MLS. Auction listings shall further specify the following:

- (a) The list price, which shall be seller's minimum acceptable bid price.
- (b) The date, time, and place of the auction.
- (c) All required procedures for Participants/Subscribers to register their representation of a potential bidder.
- (d) The amount of the buyer's premium, if any;
- (e) The time or manner in which potential bidders may inspect the listed property.
- (f) Whether or not the seller will accept a purchase offer prior to the scheduled auction and
- (g) Any other material rules or procedures for the auction.
- (h) Subsections (b) through (g) above shall not appear in a listing's public remarks.

For violation of this section, see Appendix A, Citable Infractions

7.21 Co-Listing. Only the listings of Participants and Subscribers will be accepted by

the MLS. Inclusion of co-listings where the co-listing broker/agent is not a Participants and Subscribers as the co-listing broker or agent is prohibited.

7.22 Churning of Listings/Re-Listings. Manipulation of listing data, which misleads the public, Participants, and Subscribers, is not permitted. Only when the listing Participant/Subscriber has signed a new listing agreement with the seller, shall the Participant/Subscriber be permitted to relist the property in the MLS as a “new” listing. Only when a property has been off the market (Canceled or Expired) for more than thirty (30) days will the days (CDOM and CDMLS) on the listing start at zero (0). This applies regardless of withdrawals, cancellations, extensions, expiration and /or other modifications to listing agreement.

For violation of this section, see Appendix A, Citable Infractions.

7.23 REO & HUD Disclosure. Participants and Subscribers submitting foreclosure, bank-owned or real estate owned (“REO”) or property owned by the U.S. Department of Urban Development (“HUD”) listings to the service shall disclose said status upon submission of the listing to the service.

For violation of this section, see Appendix A, Citable Infractions.

7.24 Short Sale (Lender Approval) Listings. Participants must disclose potential short sales (defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale, and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) when reasonably known to the listing broker.

7.25 Assume Identity: Participants and Subscribers within the same firm/office may allow another Subscriber access to their listings by allowing Subscriber to assume their identity. The access is solely for clerical and administrative functions. The Participant or Subscriber shall be responsible for the conduct of the Assume Identity User and shall be linked in the system. Participant and Subscriber shall immediately notify the MLS of any changes, additions, or deletions of users. Assume Identity Users shall also be subject to the following requirements:

- Must have any fees or fines paid current.
- Participant or Subscriber linked to the Assume Identity User may be fined, disciplined, or terminated for Assume Identity User’s misconduct.

8. DOCUMENTATION; PERMISSION; ACCURACY OF INFORMATION

8.1 Listing Agreement and Seller’s Permission. Prior to inputting a listing to the service, the listing broker shall obtain the written agreement of the seller expressly granting the listing broker authority to (1) file the listing with the service for publication and dissemination to those authorized by the MLS; (2) act as a representative for the seller; (3) abide by the rules of the service; (4) provide timely notice of status changes of the listing to the service; (5) provide sales information including selling price to the service upon sale of the property for publication and dissemination to those authorized by the MLS and (6) publish sales information after the final closing of a sales transaction in accordance with these MLS rules (See Section 10.2). In order to enter a listing in Coming Soon status, the Listing Broker must have a signed written listing agreement in effect that grants the Listing Broker authority to place the listing in Coming Soon

status.

For violation of this section, see Appendix A, Citable Infractions.

8.2 Listing Agreement Written Documentation. Listing brokers filing listings with the service shall have a written listing agreement with all necessary signatures in their possession. All necessary signatures are those needed to create an enforceable listing, which generally means all named signatories to the listing agreement. In the event there are known additional property owners not made a signatory to the listing, listing broker shall disclose said fact on the services and state whether the listed seller will make the sale contingent on the consent of the additional property owners. Only listings that create a representation agreement between the seller and the broker Participant are eligible for submission to the service. By inputting a listing to the service, broker Participants and real estate Subscribers represent that they have in their possession such written agreements establishing the represented type of listing agreement. The service shall have the right to demand a copy of such written listing agreements and verify the listing's existence and adequacy at any time. The service shall also have the right to demand a copy of seller's written authorization required under these rules. If the broker Participant or real estate Subscriber fails to provide documentation requested by the service within 1 day, the service shall have the right to immediately withdraw any listings from the database in addition to disciplining the broker Participant and real estate Subscriber for a violation of MLS rules.

For violation of this section, see Appendix A, Citable Infractions.

8.3 Buyer Broker Agreement. All MLS Participants and R.E. Subscribers working with a buyer must enter into a written agreement with the buyer prior to touring a home. The written agreement must include: (1) a specific and conspicuous disclosure of the amount or rate of compensation the Participant will receive or how this amount will be determined, to the extent that the Participant will receive compensation from any source; (2) the amount of compensation in a manner that is objectively ascertainable and not open-ended; (3) a term that prohibits the Participant from receiving compensation for brokerage services from any source that exceeds the amount or rate agreed to in the agreement with the buyer; and (4) a conspicuous statement that broker fees and commissions are not set by law and are fully negotiable.

8.4 Buyer Broker Agreement Written Documentation. The service shall have the right to demand from an MLS Participant a copy of any written buyer broker agreement satisfying the requirements of Rule 8.3 whenever an MLS Participant or R.E. Subscriber working with the buyer tours a property listed in the MLS. If the Broker Participant or R.E. Subscriber fails to provide the agreement requested by the service within 1 day after the service's request or if the agreement provided to the service does not include all the terms required in Rule 8.3, the service shall have the right to discipline the Participant or Subscriber for a violation of MLS Rules.

8.5 Required Consumer Disclosures Regarding Compensation. Participants and Subscribers must disclose to prospective sellers and buyers that broker compensation is not set by law and is fully negotiable. This must be included in conspicuous language as part of any listing agreement, buyer written agreement, and pre-closing disclosure documents (if any, and except those documents that are government-specified). Participants and Subscribers, in representing sellers, must also conspicuously disclose in writing to sellers, and obtain the seller's authority for, any payments or offer of payment that the listing Participant or seller will make to another broker, agent, or other representative (e.g. real estate attorney) acting for buyers. This disclosure must include the amount or rate of any such payment and be made in writing in advance of any payment or agreement to pay another broker acting for buyers.

8.6 Accuracy of Information; Responsibility for Accuracy. By inputting information into the MLS computer database, the listing broker represents that the information input is accurate to the best of the listing broker's knowledge. The listing broker shall use good faith efforts to determine the accuracy of the information and shall not submit or input information that the listing broker knows to be inaccurate. Upon receipt of the first publication or electronic transfer by the MLS of such information, the listing broker shall make all necessary corrections. The MLS merely publishes the MLS information and has no affirmative responsibility to verify the accuracy of the MLS information. The MLS, however, reserves the right to require Participants and Subscribers to change their MLS information if the MLS is made aware of alleged inaccuracies in the MLS information and the MLS determines that such inaccuracies do in fact exist. The MLS also reserves the right to remove a listing that contains said inaccurate information from the MLS compilation of current listings should Participant or Subscriber refuse or fail to timely correct. A Participant or Subscriber is required to correct inaccurate information within 2 days of being notified of the inaccuracies by the MLS. If a Participant or Subscriber fails to make necessary or required corrections to their MLS information, the Participant and Subscriber shall indemnify and hold harmless the service for any claims, costs, damage, or losses, including reasonable attorney fees and court costs, incurred by the MLS as a result of such failure. In no event will the MLS be liable to any MLS Participant, Subscriber, or any other party for any indirect, special, or consequential damages arising out of any information published in the MLS and all other damages shall be limited to an amount not to exceed the MLS fees paid by the listing broker.

For violation of this section, see Appendix A, Citable Infractions.

8.7 Input Defined. All references or uses of the word "input" shall also include information that is submitted to the MLS for input in the MLS database by the MLS staff, whether such information was provided to the MLS staff on a "property data form" or otherwise.

8.8 Buyer, Seller, Purchase and Sale Defined. Except as provided in sections 7.5 and 7.6 and Sections 8.3 and 8.4, all references to the buyer shall also include lessee. All references to the seller shall also include lessor. All references to a purchase shall also include a lease. All references to a sale shall also include a lease.

9. SELLING PROCEDURES

9.1 Showings and Negotiations. Appointments for showings and negotiations with the seller for the purchase of listed property filed with the service shall be conducted through the listing broker except under the following circumstances:

- (a) the listing broker gives the buyer broker specific authority to show and/or negotiate directly with the seller, or
- (b) after reasonable effort and no less than 1 day after, the buyer broker cannot contact the listing broker or his representative. However, the listing broker, at his option, may preclude such direct negotiations by the buyer broker by giving notice to all Participants through the MLS.

In the event all showings and negotiations will be conducted solely by the seller, the listing broker shall clearly set forth such facts in the listing information published by the service.

9.1.1 Showing Access. Properties entered into the system must be available to show within 3 days subject to any tenants' rights, hazardous conditions or unless seller indicates otherwise in writing. Listings within the Coming Soon Status must clearly state in the Confidential Remarks seller's instruction as to whether showings will be permitted or not. If showings are not permitted, showings are not allowed for any Subscriber nor by the listing agent. If showings are permitted, the listing agent may show and must allow showings by any Subscriber. Agent must indicate any change to the seller's instruction in the MLS accordingly.

For violation of this section, see Appendix A, Citable Infractions.

9.2 Disclosing the Existence of Offers. Listing brokers, in response to inquiries from buyers or buyer brokers, shall, with the sellers' approval, disclose the existence of offers on the property. Where disclosure is authorized, the listing broker shall also disclose if asked whether offers were obtained by the listing licensee, by another licensee in the listing firm, or by a buyer broker.

9.3 Availability to Show or Inspect. Listing brokers shall not misrepresent the availability of access to show or inspect a listed property.

9.4 Presentation of Offers. The listing broker must make arrangements to present the offer as soon as possible, or give the buyer broker a satisfactory reason for not doing so. If a seller(s)/landlord(s) has directed that offers are not to be presented for any length of time, seller's direction authorizing such arrangement shall be in writing, and listing broker shall provide clear and accurate notice of the date/time of presentation of offers as set forth in the written instruction to Participants and Subscribers in the confidential remarks of the MLS notwithstanding seller's right to accept offers at any time. In the event a listing broker will not be participating in the presentation of offers, the listing broker shall clearly indicate this fact in the listing information published by the service.

9.5 Submission of Offers and Counter-offers. The listing broker shall submit to the seller/landlord all offers until closing unless precluded by law, governmental rule or expressly instructed in writing by the seller/landlord otherwise. If requested by buyer broker in writing, listing broker shall provide buyer broker with listing broker's written verification that buyer broker's offer was presented (or a written notification that the seller has waived the obligation to have the offer presented), said verification to be provided to buyer broker within 3 days of buyer broker's request. The buyer broker acting for buyer/tenant, shall submit to buyer/tenant all offers and counter-offers until acceptance.

9.6 Right of Buyer Broker in Presentation of Offer. The buyer broker has the right to participate in the presentation of any offer to purchase he secures. The buyer broker does not have the right to be present at any discussion or evaluation of that offer by the seller and the listing broker. However, if the seller gives written instructions to the listing broker requesting that the buyer broker not be present when an offer the buyer broker secured is presented, the buyer broker shall convey the offer to the listing broker for presentation. In such event, the buyer broker shall have the right to receive a copy of the seller's written instructions from the listing broker. Nothing in this section diminishes or restricts the listing broker's right to control the establishment of appointments for offer presentations.

9.7 Buyer Broker as a Purchaser. If a cooperating broker wishes to acquire an interest in

property listed with a listing broker, such contemplated interest shall be disclosed to the listing broker prior to the time an offer to purchase is submitted to the listing broker.

9.8 Physical Presence of Participant of Subscriber. A Participant or Subscriber must be physically present on the property at all times when providing access to a listed property unless the Seller has consented otherwise.

10. REPORTING STATUS CHANGES AND OTHER INFORMATION TO THE MLS.

10.1 Statuses.

New – A valid listing contract exists no accepted offer (with or without contingencies) has been accepted. Remains in status for 7 days after which it becomes active.

Active – A valid listing contract exists no accepted offer (with or without contingencies) has been accepted.

Active Contingent – A valid listing contract exists Offer accepted, contingent on sale of buyer's other property.

Back on Market – Listing changed status from off-market to active, remains in status for 7 days after which it becomes Active.

Coming Soon - "Coming Soon" is defined as a temporary, optional starting status that can be selected by listing agent.

Price Change – Listing agent modified the list price, no accepted offer, remains in status for 7 days.

Pending - The Seller has accepted an Offer.

Hold – Listing agreement is still in effect, but the property is temporarily off-market.

Expired – The Listing agreement has expired. The time frame of the existing listing contract has run out.

Canceled – The Listing agreement has been canceled in writing.

Sold – Escrow has closed.

Sold Off-MLS – A "Sold Off-MLS" listing is a property subject to a valid, fully executed listing agreement that was not submitted to the MLS pursuant to the seller's written instructions. At the listing broker's option, the property may be entered into the MLS using the "Sold Off-MLS" for comparable purposes within thirty (30) days of the close of escrow. At least one (1) exterior photograph must be uploaded, and "For Comp Purposes Only" must appear in the first line of the Confidential Remarks.

10.1.1 Coming Soon Listings. It shall be the responsibility of the Broker Participant (Section 4.1.1) and Real Estate Subscriber (Section 4.2.1) to follow said rules when placing a property in the Coming Soon section of the multiple listings service (MLS). Broker Participant and Real Estate Subscriber shall only place a property in the Coming Soon section of the MLS if the Participant/Subscriber has met the necessary criteria for MLS input as described in Sections 7.5, 7.6, and 8.1.

FYI Only: Important information surrounding Coming Soon listings:

1. It is optional to place your listing into the Coming Soon Status.
2. Listing agent must have a signed written listing agreement in place to enter a "Coming Soon" listing which explains the limitations of the "Coming Soon" status.
3. Coming Soon listings will be viewable to all MLS Participants.
4. Coming Soon listings are not allowed to be placed into open houses or tour modules within

the MLS.

5. Once an agent changes a listing from Coming Soon to New/Active status, it cannot be reverted to Coming Soon status.
6. Days on Market (DOM) resets when status is changed to New/Active
7. Agent showing is allowed
8. Coming Soon Status must clearly state in the Confidential Remarks the seller's instruction as to whether showings will be permitted or not.
9. Once Coming Soon status is entered, public marketing is allowed.
10. All Paragon MLS Coming Soon data are included in Broker back-office data feeds.
11. Photos are optional.
12. The Coming Soon listing will be automatically placed in a "Cancelled – Coming Soon" status after thirty (30) days of entry.

10.2 Reporting of Sales. Listings with accepted offers shall be updated in the MLS by the listing agent or the listing broker as "pending" within 3 days after the acceptance, unless the negotiations were carried on under Section 9.1 (a) or (b), in which case, the buyer broker shall notify the listing broker of the "pending" status within 3 days after acceptance, whereby the listing broker shall then report or input the status change to the MLS within 3 days of receiving notice from the buyer broker. The listing shall be published on the MLS as pending with no price or terms prior to the final closing. Upon final closing, the listing agent or the listing broker shall update the listing in the MLS as "sold" and report the selling price within 3 days after the final closing date unless the negotiations were carried on under Section 9.1 (a) or (b), in which case, the buyer broker shall notify the listing broker of the "sold" status and selling price within 3 days after the final closing date, whereby the listing broker shall input the status change and selling price within 3 days after receiving notice from the buyer broker. Listings which were not input into the MLS as a result of the seller's instructions may be input into the MLS as "Sold Off-MLS" data at the listing broker's option within 30 days after the closing date. If a listing is entered for comparison purposes only, then "For Comp Purposes Only" shall appear in the first line of confidential remarks.

For violation of this section, see Appendix A, Citable Infractions.

10.3 Removal of Listings for Refusal/Failure to Timely Report Status Changes. The MLS is authorized to remove any listing from the MLS compilation of current listings where the Participant or Subscriber has refused or failed to timely report status changes. Prior to the removal of any listing from the MLS, the Participant and/or Subscriber shall be advised of the intended removal, so the Participant and/or Subscriber can advise his or her clients(s).

For violation of this section, see Appendix A, Citable Infractions.

10.4 Reporting Cancellation of Pending Sale. The listing broker shall report to the service within 1 day after the cancellation of any pending sale and the listing shall be reinstated immediately as long as there is still a valid listing.

For violation of this section, see Appendix A, Citable Infractions.

11. OWNERSHIP OF MULTIPLE LISTING SERVICE COMPILATIONS AND COPYRIGHTS

11.1 MLS Compilation Defined. The term "MLS compilation" includes, but is not limited to, the MLS computer database, and all data and content therein, including but not limited to photographs, images (including maps), graphics, audio and video recordings, virtual tours, drawing, descriptions, remarks, narratives, pricing information, statistics and other details or information related to listed property, all printouts of data and content from the MLS computer database, and all MLS publications. The MLS Compilation is protected by all applicable intellectual property laws.

11.2 Active Listing MLS Compilation Defined. "Active listing MLS compilation" shall mean that portion of the MLS compilation which includes listings currently for sale and all other indexes and other information relating to the current listing information.

11.3 Comparable Data MLS Compilation Defined. "Comparable data MLS compilation" shall mean that portion of the MLS compilation that includes the off-market data, sold and appraisal information regarding properties that are not currently for sale and all indexes and information relating to the sold information compilation.

11.4 Authority to Put Listings in MLS Compilation. By submitting any property listing data form to the MLS or inputting listing information into the MLS compilation, broker Participants and real estate Subscribers represent and warrant that they have been authorized to grant license and also thereby do grant authority for and license the AOR/MLS to include the property listing data in its copyrighted MLS compilation. By submitting any property listing data form to the MLS, broker Participants and real estate Subscribers represent and warrant that they have been authorized to report information about the sales, price and terms of a listing, have authority to grant and also thereby grant authority for the AOR to include the sold information in its copyrighted MLS compilation.

11.5 Photographs on the MLS.

a) By submitting photographs/images, including but not limited to photographs, images, graphics, audio and video recordings, virtual tours, drawings, renderings or any other representations (collectively referenced in these Rules as photographs and or images) to the MLS, the Participant and/or Subscriber represents and warrants that he or she either owns the right to reproduce and display such photographs or has procured such rights from the appropriate party and has the authority to grant and hereby grants the MLS and the other Participants and Subscribers the right to reproduce and display the photographs in accordance with these rules and regulations. Use of photographs by a subsequent listing agent requires prior written authorization from the originating listing agent or appropriate party with the legal right to reproduce and display such photographs. Except by the MLS for purposes of protecting its rights under Section 11.6, branding of photographs and or images, virtual tours or any other photographic representation with any information or additional images is prohibited. However, branded virtual tours will be permitted in the Branded Virtual Tour field for the sole purpose of transmittal to 3rd party vendors only. Upon notification to the Participant and/or Subscriber, the MLS reserves the right to remove any non-compliant photographs and or images from MLS display should Participant or Subscriber refuse or fail to bring said photographs and or images into compliance with the requirements of this rule after being notified and instructed to correct by the MLS.

b) At least one (1) photo or graphic image of the front exterior of the property accurately displaying the listed property (except where sellers expressly direct in writing that

photographs of their property are not to appear in MLS compilations) is required to be posted on the MLS within 1 day of submission of the listing in all categories other than business opportunity, Lots and Land property types and Coming Soon status.

c) To maintain the accuracy and efficiency of the MLS, the MLS will no longer remove photos from Sold, Expired, Hold, or Canceled listings. Alternately, to meet the requests from home buyers and sellers, the MLS will mark the requested photos as private upon written request from the listing Broker.

11.5.1 Definition of Digitally Altered Images. “Digitally altered image” means an image, created by or at the direction of the real estate broker or salesperson, or person acting on their behalf, that has been altered through the use of photo editing software or artificial intelligence to add, remove, or change elements in the image, including, but not limited to, fixtures, furniture, appliances, flooring, walls, paint color, hardscape, landscape, façade, floor plans, and elements outside of, or visible from, the property, including, but not limited to, streetlights, utility poles, views through windows, and neighboring properties. “Digitally altered image” does not include an image where only lighting, sharpening, white balance, color correction, angle, straightening, cropping, exposure, or other common photo editing adjustments are made that do not change the representation of the real property.

11.5.2 Digitally Altered Images. A Participant or Subscriber who submits any digitally altered image must also:

- i. submit the original, unaltered version of the digitally altered image,
- ii. ensure that the original, unaltered version is displayed immediately after the digitally altered image, and
- iii. ensure that the digitally altered image is marked in a reasonably conspicuous manner as “altered,” “digitally altered,” “AI altered,” or some accurate substantially similar term.

For violation of this section, see Appendix A, Citable Infractions.

11.6 Copyright Ownership. All rights, titles, and interest in each copy of every MLS compilation created and copyrighted by the AOR, and in the copyrights therein, shall at all times remain vested in the AOR shall have the right to license such compilations or portions thereof to any entity pursuant to terms agreed upon by the Board of Directors.

11.7 Access to MLS Compilations. Each Participant shall be entitled to license from the A.O.R. the number of copies each MLS compilation of active listing and comparable data information sufficient to provide the Participant and Subscriber with one copy of such MLS compilation. Participants and Subscribers shall acquire by such license only the right to use the MLS compilations in accordance with these rules. Clerical users may have access to the information solely under the direction and supervision of the Participant or Subscriber. Clerical users may not provide any MLS compilation or information to persons other than the Participant or the Subscriber under whom the clerical user is registered.

11.8 Database Preservation. No data may be removed from the MLS compilation other

than by the service. Although a listing may be removed from display in the MLS compilation of current listing information, all data submitted to the MLS will remain in the database for historical and other purposes approved by the service. (Unless the service itself removes said data in accordance with other provisions of these rules.)

11.9. Removal of and Responsibility for Content. The MLS has the right, but not the obligation, to reject, pull down, restrict publication of, access to or availability of content the MLS in good faith considers to be obscene, lewd, lascivious, filthy, excessively violent, harassing, unlawful or otherwise objectionable. Participants and Subscribers remain solely responsible and liable for the content they provide. In no case will any monitoring or removal of Participants' or Subscribers' content by the MLS make it responsible or liable for such content.

11.10. Data Privacy. By participation in the service, Participants and Subscribers represent and warrant that they have given all lawfully required privacy notices and opt-out rights to their respective seller and buyer clients whose personal information, as defined in the California Consumer Privacy Act ("CCPA"), may be submitted, or included in the MLS compilation. C.A.R. Standard Form CCPA may be used to satisfy the notice requirements set forth in this rule, but if an alternate document is used, it must show that required privacy notices and opt-out rights have been given. All Participants and Subscribers are required to comply with this rule's notice requirements regardless of whether they are considered a "business" or "third party" or otherwise under the CCPA. The service shall have the right to demand a copy of written verification that such lawfully required privacy notices and opt-out rights have been given at any time. If the Participant or Subscriber fails to provide documentation requested by the service within 1 day after the service's request, the service shall have the right to immediately withdraw any listings from the database in addition to disciplining the Participant and Subscriber for a violation of MLS rules.

In the event the MLS receives a consumer opt-out or deletion request, the MLS reserves the right to remove or delete personal information as may be, at its discretion, necessary to satisfy or otherwise accommodate the CCPA. The MLS's obligation to do so will vary given the circumstances and the extent to which the MLS is covered by the CCPA, thus the MLS also reserves the right to reject what it determines are unfounded or non-mandated opt-out or deletion requests, if any.

11.11 Indemnification; Limitation of Liability. Participant and Subscriber shall defend, indemnify, and hold harmless the service and every other Participant and Subscriber ~~for~~ from and against any liability, claims, costs, damage, or losses, including reasonable attorney fees and court costs, resulting from or arising out of any content Participant and/or Subscriber submit to or in any way wrongfully reproduce from the Service. In no event will the MLS be liable to any MLS Participant, Subscriber, or any other party for any indirect, special, or consequential damages arising out of any information published in the MLS and all other damages shall be limited to an amount not to exceed the MLS fees paid by the listing broker.

11.12 Pursuing Complaints of Unauthorized Use of Listing Content. MLS Participants and Subscribers may not take legal action against another Participant or Subscriber for alleged rules violation(s) unless the complaining Participant or Subscriber has first exhausted the remedies

provided in these rules.

(a) Notice. Any Participant or Subscriber who believes another Participant or Subscriber has engaged in the unauthorized use or display of listing content, including photographs, images, audio or video recordings, and virtual tours, shall send notice of such alleged unauthorized use to the MLS. Such notice shall be in writing, specifically identify the allegedly unauthorized content, and be delivered to the MLS not more than sixty (60) days after the alleged misuse was first identified. No Participant or Subscriber may pursue action over the alleged unauthorized use and display of listing content in a court of law without first completing the notice and response procedures outlined in this section of the MLS rules.

(b) Response. Upon receiving notice, the applicable Committee/Board of Directors will send the notice to the Participant or Subscriber who is accused of unauthorized use. Within ten (10) days from receipt, the Participant or Subscriber must either: 1) remove the allegedly unauthorized content, or 2) provide proof to the Committee/Board of Directors that the use is authorized. Any proof submitted will be considered by the Committee/Board of Directors, and a decision of whether it establishes authority to use the listing content will be made within thirty (30) days.

(c) Determination. If the Committee/Board of Directors determines that the use of the content was unauthorized, the Committee/Board of Directors may issue sanctions pursuant to the MLS rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction.

(d) Court Action If Uncured. If after ten (10) days following transmittal of the Committee's/Board of Directors' determination the alleged violation remains uncured (i.e., the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law.

11.13 Participant Access and Entitlement to Their Own Listing Information; Data Portability. The Service must, upon request, promptly provide a Participant (or the Participant's designee) a data feed containing, at minimum, all active MLS listing content input into the MLS by or on behalf of the Participant and all of the Participant's off-market listing content available in the MLS system. The delivery charges for the Participant's listing content shall be reasonably related to the actual costs incurred by the MLS. The data feed must be in compliance with the prevailing RESO (Real Estate Standards Organization) standards required by NAR MLS Policy. The Service will not limit the use of the Participant's listing content by the Participant or the Participant's designee.

11.14 Data Feed Available to Participants. The Service must offer a Participant a single data feed in accordance with a Participant's licensed authorized uses. At the request of a Participant, the Service must

provide the single data feed for that Participant's licensed uses to that Participant's designee. The designee may use the single data feed only to facilitate that Participant's licensed uses on behalf of that Participant.

11.15 Brokerage Back Office Data Feeds. The Service must provide to Participants the Brokerage Back Office Data for use subject to the terms below:

"Brokerage Back Office Data" means all real property listing and roster information in the MLS

database, including all listings of all Participants, but excludes (i) MLS-only fields (those fields only visible to MLS staff and the listing Participant), and (ii) fields and content to which MLS does not have a sufficient license for use in the Brokerage Back Office Feed.

Participant and Subscribers affiliated with the Participant can use the Brokerage Back Office Feed data for the following purposes:

- a) Brokerage management systems that only expose Brokerage Back Office Data to the Participant and Subscribers affiliated with the Participant.
- b) Customer relationship management (CRM) and transaction management tools that only expose the Brokerage Back Office Data to the Participant, Subscribers affiliated with the Participant, and their bona fide clients as established under state law.
- c) Agent and brokerage productivity and ranking tools and reports that only exposes Brokerage Back Office Data to the Participant and Subscribers affiliated with the Participant.
- d) Marketplace statistical analysis and reports in conformance with NAR MLS Policy Statement 7.80, which allows for certain public distribution.

Brokerage Back Office Data use may only be made by the Participant and any Subscriber affiliated with the Participant, except that at the request of a Participant, the MLS must provide Brokerage Back Office Data to that Participant's designee. The designee may use the Brokerage Back Office Data only to facilitate the Brokerage Back Office Data use on behalf of that Participant and its affiliated Subscribers.

There is no option for Participants to opt out their listings from the Brokerage Back Office Data feed use as defined.

The Service may impose reasonable licensing provisions and fees related to a Participant's license to use the Brokerage Back Office Data. The Service may require the Participant's designee to sign the same or a separate and different license agreement from what is signed by the Participant.

11.16 Prohibition on Creating a Platform for Making Offers of Compensation from Multiple Brokers. Use of MLS data or data feeds to directly or indirectly establish or maintain a platform to make offers of compensation from multiple brokers to buyer brokers or other buyer representatives is prohibited and shall result in the termination of that Participant's or Subscriber's access to any MLS data and feeds.

12. PROHIBITIONS AND REQUIREMENTS

12.1 Notification of California Department of Real Estate (DRE) or California Bureau of Real Estate Appraisers (BRE) Action. Participants and Subscribers are required to notify the MLS within 1 day after any final action taken by the DRE or the BRE against the Participant, Subscriber or any licensee affiliated with the Participant or Subscriber including, but not limited to any final decisions restricting, suspending or revoking a real estate license or Appraiser's certification or license of a Participant, the Participant's firm or corporation under which the Participant or Subscriber acts, or any licensee affiliated

with the Participant or the Participant's firm or licensee or Appraiser who was affiliated with the Participant or Participant's firm at the time of the underlying act.

12.2 Violations of the Law. If a Participant, Subscriber, Appraiser, or a licensee affiliated

with a Participant or Subscriber commits a felony or a crime involving moral turpitude or violates the Real Estate Law or the laws relating to Appraisers, the Participant and Subscriber shall be in violation of this section. However, a Participant or Subscriber shall not be found to have violated this section unless the Participant, Subscriber, Appraiser or salesperson licensed to the Participant has been convicted, adjudged, or otherwise recorded as guilty by a final judgment of any court of competent jurisdiction of (1) a felony, or (2) a crime involving moral turpitude, or (3) on a determination by any court of competent jurisdiction, or official of the State of California authorized to make the determination, that the Participant or Subscriber violated a provision of the California Real Estate Law or a Regulation of the Real Estate Commissioner or law relating to Appraisers.

12.3 Supervision of Licensees and Appraisers. In addition to the notification requirements of paragraph 12.1, a Participant may not allow any licensee, under the Participant's license, whose license has been revoked, suspended, or restricted by the DRE to use the MLS in any manner while the DRE discipline is in effect except that the licensee may use the MLS under a restricted license providing such use is consistent with and does not violate such license restrictions.

12.4 Solicitation of Listing Filed With the MLS. Broker Participants and real estate Subscribers shall not solicit a listing filed with the service unless such solicitation is consistent with Article 16 of the NAR. Code of Ethics, its Standards of Practice, and its Case Interpretations. The purpose of this section is to encourage sellers to permit their properties to be filed with the service by protecting them from being solicited through unwanted phone calls, visits, and communications, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration. This section is also intended to encourage all licensed real estate brokers to participate in the service by assuring them that other broker Participants and real estate Subscribers will not attempt to persuade the seller to breach the listing agreement or interfere with the listing broker's attempts to market the property. This section does not preclude solicitation of listings under circumstances otherwise permitted under Article 16 of the NAR. Code of Ethics, its Standards of Practice, and its Case Interpretations.

12.5 Use of Remarks. Participants and Subscribers may not use the remarks in a property data profile sheet or listing submitted to the MLS or inputted directly into the MLS database for purposes of disparaging other real estate agents or conveying information about other offices or for conveying any other information that does not directly relate to the marketing of the listing. By submitting remarks to the MLS, Participant and/or Subscriber represents and warrants he or she has the authority to grant, and hereby grants the MLS and the other Participants and Subscribers, the right to reproduce and display the remarks in accordance with these rules. Copying of remarks by a subsequent listing agent for use in his or her own listing requires prior written authorization from the originating listing agent or other appropriate party with the legal right to reproduce and display such remarks.

12.5.1 Public Remarks Restrictions and Requirements

- a. Information in the public remarks shall only relate to the marketing, description, and condition of the property.
- b. No contact information is permitted, including names, phone or fax numbers, email addresses or branded website addresses (including branded virtual tours and branded transaction tracking URLs).
- c. No showing instructions are permitted, including references to lockbox, alarm, gate or other security codes.

- d. No information directed toward real estate agents or brokers, may be shown in public remarks.
- e. Listing Content and Fair Housing Laws. All listing information, including all remarks, submitted to the MLS must be in compliance with fair housing laws. The MLS monitors listing content and employs a process for identifying potential violations of fair housing laws. Should potential fair housing law violations be identified, Participants and Subscribers will be advised to immediately remove or correct such potential violations. Failure to remove or correct may subject Participants and Subscribers to discipline and/or subject the listing to immediate removal from display.
- f. Seller credits, incentives, or concessions to a buyer are permitted in the Public or Confidential Remarks fields, provided that:
- The remarks specifically identify the intended use of the credits, incentives, or concessions.
 - The remarks do not include a dollar amount or percentage.
 - The credits, incentives, or concessions are not offered for payment, directly or indirectly, of buyer broker compensation.
 - The remarks are otherwise compliant with all MLS Rules.
 - For additional information, contact agent.
- g. Any compensation or commission information is prohibited.
- h. No occupancy information is permitted (for example, whether the property is owner-occupied, tenant-occupied, or vacant). However, a statement that the property shall be delivered vacant is not a violation.

For violation of this section, see Appendix A, Citable Infractions.

12.5.2 Confidential Remarks Restrictions and Requirements

- a. "For Comp Purposes Only" must appear in the first line of confidential remarks when a listing is entered for that purpose.
- b. References to codes, burglar alarms, security systems, gate codes, assigned parking space numbers, or combo lockbox codes may only be placed in confidential remarks only with seller's written permission.
- c. Caution: Title or escrow information may be entered in confidential remarks; however, Participants/Subscribers should note that any verbiage which implies a requirement to use a specific title company or escrow service may be a violation of RESPA. You are advised to seek legal counsel for specific advice when using such verbiage.
- d. Except for reciprocal listings, no reference may be made to licensees who are not Participants or Subscribers.
- e. If a seller(s)/landlord(s) has directed that offers are not to be presented for any length of time, seller's direction authorizing such arrangement shall be in writing, and listing broker shall provide clear and accurate notice of the date/time of presentation of offers as set forth in the written instruction to Participants and Subscribers in the confidential remarks of the MLS notwithstanding seller's right to accept offers at any time.
- f. Seller's credits, incentives, or concessions to a buyer are permitted in the Public or Confidential Remarks fields, provided that:
- The remarks specifically identify the intended use of the credits, incentives, or concessions.

- The remarks do not include a dollar amount or percentage.
- The credits, incentives, or concessions are not offered for payment, directly or indirectly, of buyer broker compensation.
- The remarks are otherwise compliant with all MLS Rules.
- For additional information, contact the listing agent.

g. Any compensation or commission information is prohibited.

For violation of this section, see Appendix A, Citable Infractions.

12.5.3 - 3rd Party Syndication – Advertising remarks are intended to be included in listing displays on “third-party” websites and are considered public remarks which will be disseminated to third-party sites through an approved API feed. Participants and Subscribers may only include the physical characteristics of the property and or neighborhood, listing agent contact information, including phone numbers, email addresses, website information, and open house information. Advertising remarks are prohibited from including additional self-promotion. Participants and Subscribers may not use the advertising remarks for purposes of conveying information about other offices, disparaging other real estate agents, the transaction, or the subject property. Participants and Subscribers may not include information considered confidential as described in Sections 12.8, 12.11, 12.14, 12.15, 12.16, 12.19.

12.5.4 Tour Remarks Restrictions and Requirements.

- Information in the remarks shall only relate to the marketing, description, and condition of the property.
- No contact information is permitted, including names, phone or fax numbers, email addresses or website addresses (including virtual tours and transaction tracking URLs).
- No showing instructions are permitted, including references to lockbox, alarm, gate or other security codes, or the vacancy of the property. However, a statement that the property shall be delivered vacant is not a violation.
- No information directed toward real estate agents or brokers may be shown in remarks.
- Seller’s concession or credit information and comments are prohibited.
- Any compensation or commission information is prohibited.

For violation of this section, see Appendix A, Citable Infractions.

12.6 "For Sale" Signs. Only the "For Sale" signs of the listing broker may be placed on the property.

12.6.1 “For Sale” Signs. For Sale signs shall be removed from the property within five (5) days after escrow is closed.

For violation of this section, see Appendix A, Citable Infractions.

12.7 "Sold" Signs, Use of the Term "Sold" and Advertising Sold Listings. Only broker Participants or real estate Subscribers who participated in the transaction as the listing broker or buyer broker may claim to have "sold" the property. Prior to closing, a buyer broker may post a "sold" sign on a property only with the consent of the listing broker. This section does not, however, prohibit any broker from advertising a permissible subset of allowable listing content regarding the properties that have sold in a neighborhood after the information regarding the

properties has been published as long as the advertisement does not imply the agent was involved in the transaction unless such is the case and as long as the advertisement otherwise presents a "true picture" as is meant under Article 12 of the NAR. Code of Ethics, its Standards of Practice, and its Case Interpretations. Allowable listing content may include only those portions of the MLS compilation consisting of the following: property address (and whether attached or detached), status, price, number of bedrooms, number of bathrooms, number of garages (and whether attached or detached), square footage, lot size, year built, tract or development name, and if there is a pool. Display of other fields, as well as confidential information and photographs, is prohibited.

For violation of this section, see Appendix A, Citable Infractions.

12.8 Advertising of Listing Filed With the MLS. A listing shall not be advertised by any Participant or Subscriber, other than the listing broker, without the prior consent of the listing broker except as provided in 12.8.1 relating to the Printed Neighborhood Market Report and Sections, Section 12.16 and 12.19 relating to display of listings on the internet.

For violation of this section, see Appendix A, Citable Infractions.

12.8.1 Advertising of Listing in Printed Neighborhood Market Report. Subject to the conditions set forth in (a) through (c) below, as well as throughout these Rules, Participants and Subscribers may include the listings of others in their printed "Neighborhood Market Reports." The "Neighborhood Market Report" is defined as an advertising and/or information sheet (typically appearing in the form of a postcard, flier, or newsletter) compiled by and/or for use by a licensee which sets forth a list of home activity in a particular neighborhood area. Advertising appearing in newspapers, magazines or other classified forms is not included in the definition of "Neighborhood Market Report" and is not authorized by this Rule 12.8.1.

(a) Consent. A listing broker may refuse to permit others to advertise his listing in the "Neighborhood Market Report" (i.e., "opt-out") on a listing-by-listing basis. Participants and Subscribers are not permitted to include listings in their Neighborhood Market Report from which listing broker has opted out and will be responsible for verifying that they have permission to advertise all listings contained in their Neighborhood Market Reports. Nothing in this section shall preclude a Participant or Subscriber from including Sold Properties in their Neighborhood Market Report even if the listing broker has "opted out" (reference Rule 12.7).

(b) Allowable Listing Content. Broker Participants and R.E. Subscribers may include only those portions of the MLS compilation consisting of the following: property address (and whether attached or detached), status, price, number of bedrooms, number of bathrooms, number of garages (and whether attached or detached), square footage, lot size, year built, tract or development name, and if there's a pool. Display of other fields, as well as confidential information and photographs, is prohibited.

(c) Each "Neighborhood Market Report" shall include the following disclaimer:

Based on information from the _____/Association of REALTORS®

(alternatively, from the _____MLS) as of _____(date _____ the AOR/MLS data was obtained). All data, including all measurements and calculations of area, is obtained from various sources and has not been, and will not be, verified by broker or MLS. All information should be independently reviewed and verified for accuracy. Properties may or may not be listed by the office/agent presenting the information.

For violation of this section, see Appendix A, Citable Infractions.

12.8.2 Association and/or MLS Marketing Meeting and Tours. Marketing Meetings and Tours are officially sanctioned networking events where members of the real estate industry gather to share information. These events may draw a broader audience than MLS Participants and Subscribers. By adding a listing on Tour or attending the Marketing Meeting, the Participant and Subscriber agrees:

- a) To allow the generation of a tour report that includes limited listing information and make it openly available for distribution in printed or other formats in conjunction with the Marketing Meetings.
- b) Not to serve alcohol at properties on Association and/or MLS Marketing Meetings and Broker Tours. (Note: By imposing this restriction, Association and/or MLS makes no representation of nor assumes any duty to active policing of off-site properties but will entertain any and all complaints submitted to it establishing violations of this section).
- c) Not have a discussion or provide printed materials which contain information about compensation, commissions, concessions, or credits.

12.9 Limitations on Use of Association or MLS Information in Advertising. Except as provided in Sections 12.7, 12.8, 12.11 and 12.15, truthful use of information from the MLS compilation of current listing information, from the AOR's "statistical report," or from any "sold" or "comparable" report of the AOR or MLS for public mass media advertising by an MLS Participant or Subscriber or in other public representations for purposes of demonstrating market share is not prohibited. However, any print or non-print forms of advertising or other forms of public representations must clearly

demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice, in a manner readily visible to consumers but not less than 7-pt type:

Based on information from the _____/Association of REALTORS®
(alternatively, from the _____MLS) as of _____(date the AOR/MLS data was obtained)

All data, including all measurements and calculations of area, is obtained from various sources and has not been, and will not be, verified by broker or MLS. All information should be independently reviewed and verified for accuracy. Properties may or may not be listed by the office/agent presenting the information.

For violation of this section, see Appendix A, Citable Infractions.

12.10 False or Misleading Advertising and Representations; True Picture Standard of

Conduct. Participants and Subscribers may not engage in false or misleading advertising, including, but not limited to, advertisements or representations regarding the Participant's or Subscriber's relationship to the service, about the service itself, or about any property listed with the service. Participants and Subscribers may not represent that their brokerage services to a client or customer are free or available at no cost to their clients, unless the Participant or Subscriber will receive no financial compensation from any source for those services. MLS Participants and Subscribers shall present a true picture in their advertising and representations to the public, including Internet content, images and the URLs and domain names they use, and Participants and Subscribers may not:

- a) engage in deceptive or unauthorized framing of real estate brokerage websites.
- b) manipulate (e.g., presenting content developed by others) listing and other content in any way that produces a deceptive or misleading result.
- c) deceptively use metatags, keywords, or other devices/methods to direct, drive or divert Internet traffic.
- d) present content developed by others without either attribution or without permission; or
- e) otherwise mislead consumers, including use of misleading images.

12.11 Use of MLS Information. In recognition that the purpose of the MLS is to market properties to and foster cooperation with other broker Participants and real estate Subscribers for the sole purpose of selling the property, and that sellers of properties filed with the service have not given permission to disseminate the information for any other purpose, Participants and Subscribers are expressly prohibited from using MLS information for any purpose other than to market property to bonafide prospective purchasers or to support market evaluations or appraisals as specifically allowed by Sections 12.14, 12.15, 12.16 and 12.19. Additionally, use of MLS information for recruiting as allowed by Section 12.11 is permitted. Any use of MLS information inconsistent with these Sections is expressly prohibited. Nothing in this Section, however, shall limit the AOR from entering into licensing agreements with MLS Participants and Subscribers or other third parties for use of the MLS information.

For violation of this section, see Appendix A, Citable Infractions.

12.12 Confidentiality of MLS Information. Any information provided by the service to the Participants and Subscribers shall be considered and treated as confidential by Participants and Subscribers and shall be for the exclusive use of the Participants and Subscribers for purposes described in Sections 2, 12.7, 12.11, 12.14, 12.15, 12.16, 12.19 and this section. Participants and Subscribers shall at all times maintain control over and responsibility for each copy of any MLS compilation and shall not distribute any such copies to persons other than Participants and Subscribers. Participants and Subscribers are responsible for the security of their passcodes and shall not give or allow use of or make available their passcodes to any person. Participants and Subscribers may reproduce or display the information as provided in these rules.

12.12.1 Clerical Users. Clerical users may have access to MLS information solely under the direction and supervision of the Participant or Subscriber. Clerical users may not provide any MLS information to persons other than the Participant or Subscriber under whom they are registered. Access by clerical users to the database is solely for clerical and administrative functions for the Participant or Subscriber under whom the clerical user is registered.

12.13 Access to Comparable and Statistical Information. A.O.R. members who are actively engaged in real estate brokerage, management, mortgage financing, appraising, land development, or building, but who do not participate in the service, are nonetheless entitled to receive, by purchase or lease, all information other than current listing information that is generated wholly or in part by the MLS including “comparable” information, “sold” information, and statistical reports. This information is provided for the exclusive use of A.O.R. members and individuals affiliated with A.O.R. members who are also engaged in the real estate business and may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office, or firm except as otherwise specified in these rules and regulations.

12.14 Display. Subject to Sections 12.15, 12.16 and 12.19, broker Participants and real estate Subscribers shall be permitted to display the MLS compilation in either electronic or printed format to specifically identified and bonafide prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in said MLS compilation. Broker Participants and real estate Subscribers shall be permitted to display the MLS compilation in either electronic or printed format to specifically identified and bonafide sellers or prospective sellers only in conjunction with their ordinary business activities in listing properties. Broker Participants and R.E. Subscribers must not filter out or restrict MLS listings that are communicated to customers and clients based on the existence or level of compensation offered to the cooperating broker or the name of the brokerage or agent. Appraiser Participants and Appraiser Subscribers shall be permitted to display the MLS compilation to the person requesting the appraisal only in conjunction with their ordinary business activities of producing a written appraisal. Such displays under this section shall be only in the immediate presence of the MLS Participant or Subscriber.

For violation of this section, see Appendix A, Citable Infractions.

12.14.1 Clerical Users. Clerical users are expressly prohibited from displaying or distributing MLS information to anyone other than the Participant or Subscribers under whom the clerical user is registered.

For violation of this section, see Appendix A, Citable Infractions.

12.15 Reproduction. “Reproduction” shall include, but not be limited to, making photocopies, computer printouts, electronic transfers (including email), or downloading of MLS data or compilations. Participants and Subscribers or their affiliated licensees shall not reproduce any MLS compilation or any portion thereof except as provided in Sections 12.16 and 12.19 and in the following limited circumstances:

12.15.1 Copies to Prospective Purchasers. Broker Participants and real estate Subscribers may reproduce from the MLS compilation, and distribute to prospective real estate purchasers, copies of those portions of the MLS compilation consisting only of non-confidential fields. Such “client copies” shall also comply with the following:

- a. Permissible MLS data may be augmented with additional data not otherwise prohibited from display, provided the source of any additional data is clearly identified.
- b. All listings provided shall identify the name of the listing firm and the listing broker or agent in a readily visible color, in a reasonably prominent location, and in

typeface not smaller than the median typeface used in the display of listing data.

- c. No more than 500 current listings and 500 sold listing or fifty percent (50%) of the listings in the MLS, whichever is less, may be provided in response to any inquiry.
- d. A disclaimer statement shall be made in a manner readily visible to consumers but not less than 7pt type, which contains the following, or substantially similar, notice:

Based on information from the _____/Association of REALTORS®
(alternatively, from the _____MLS) as of _____(date _____ the
AOR/MLS data was obtained).

All data, including all measurements and calculations of area, is obtained from various sources and has not been, and will not be, verified by broker or MLS. All information should be independently reviewed and verified for accuracy. Properties may or may not be listed by the office/agent presenting the information.

12.15.2 Information Prohibited from Reproduction/Confidential Fields. Unless the Participant or Subscriber obtains prior written consent from the listing broker, the information reproduced pursuant to this section shall not include the following:

- a. Property owner's name, phone number, and address (if different than the listed property).
- b. Instructions or remarks intended for buyer brokers, including but not limited to showing instructions or security references (ex: lock box, burglar alarm or security system, vacancies) regarding the listed property.
- c. Type of listing.
- d. Expired or withdrawn listings.
- e. Other confidential fields.

For violation of this section, see Appendix A, Citable Infractions.

12.15.3 Copies for Appraisals. Participants and Subscribers may reproduce from the MLS compilation and attach to an appraisal as supporting documentation copies of those portions of the MLS compilation consisting only of such information on properties necessary to support a written appraisal or estimate of value on a particular property.

12.15.4 Downloading into Computers.

Participants and Subscribers may download MLS information into a computer or computer system as long as:

- (a) Access to the computer or computer system receiving the information is strictly limited to authorized Participants, Subscribers, and Clerical Users as defined in these rules; and
- (b) The information is only retransmitted to the Participants, Subscribers, and Clerical Users authorized to access the computer or computer system by these rules; and
- (c) The information is not reformatted or used to create another product except as may be used by the Participant or Subscriber who downloaded the data and such use

strictly complies with sections 12.7, 12.11, 12.15, and 12.19.

For violation of this section, see Appendix A, Citable Infractions.

12.15.5 Sold Information. Individuals legitimately in possession of current listing information, “sold” information, “comparable” or statistical information may utilize such information to support valuations on particular properties for clients and customers. Any MLS content in data feeds available to Participants for real estate brokerage purposes must also be available to Participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third-party license agreement where deemed appropriate by the MLS. MLSs may require Participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed confidential may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these rules and regulations.

12.16 Use of Listing Information on Internet. [Also known as Internet Data Exchange (“IDX”)] “Internet Data Exchange” (“IDX”) is a means by which listing brokers permit limited electronic display and delivery of their Active, Pending and sold listing data, in accordance with the IDX rules set forth herein, by other participating Broker Participants and R.E. Subscribers via the following authorized mediums under said Broker Participants and R.E. Subscribers control: websites, mobile apps and audio devices. As used throughout this policy, “display” includes “delivery” of such listings.

- a. **Authorization.** Subject to paragraphs (b) through below, and subject to an executed IDX Access Agreement with the MLS, notwithstanding anything in these rules and regulations to the contrary, Broker Participants and R.E. Subscribers may electronically display aggregated MLS active, pending and sold listing information through either downloading or by framing such information on the MLS or association public access website (if such a site is available). The MLS’s download will include publicly accessible sold listing data starting from January 1, 2012. “Publicly accessible” sold information as used in the IDX policy and rules, means data that is available electronically or in hard copy to the public from city, county, state, and other government records.
- b. **Consent.** The listing brokers’ consent for such internet display is presumed, in satisfaction of Rule 12.8, unless a listing broker affirmatively notifies the MLS that the listing broker refuses to permit display on either on a blanket or on a listing-by-listing basis. Listing brokers that refuse to permit other broker Participants or R.E. Subscribers to display their listing information on a blanket basis may not display MLS active, pending and sold listing information of other brokers’ listings. Even where listing brokers have given blanket authority for other Broker Participants and R.E. Subscribers to partake in IDX display of their listings, such consent may be withdrawn on a listing-by-listing basis where the seller has affirmatively directed that their listing or their property address not appear on the Internet or other electronic forms of display or distribution.
- c. **Control.** Broker Participants and R.E. Subscribers may only partake in IDX

display on websites, applications for mobile devices and audio devices which they control. Under IDX policy, “control” means that Broker Participants and R.E. Subscribers must have the ability to add, delete, modify, and update information as required by the IDX policy. All displays of IDX listings must also be under the actual and apparent control of the Broker Participant and/or R.E. Subscriber and must be presented to the public as being that Broker Participant’s and/or R.E. Subscriber’s display. Actual control requires that Broker Participants and R.E. Subscribers have developed the display or caused the display to be developed for themselves pursuant to an agreement giving the Broker Participant and/or

R.E. Subscriber authority to determine what listings will be displayed, and how those listings will be displayed. Apparent control requires that a reasonable consumer receiving the Broker Participant’s and/or R.E. Subscriber’s display will understand the display is the Broker Participant’s and/or R.E. Subscriber’s, and that the display is controlled by the Broker Participant and/or R.E. Subscriber.

- d. **Display Content.** Broker Participants and R.E. Subscribers shall not display confidential information fields, as determined by the MLS in the MLSs’ sole discretion, such as that information intended for buyer brokers rather than consumers.
- e. **Listing Attribution.** All IDX listing displays shall identify the name of the listing firm, and the email or phone number provided by the listing Participant, and the name of the listing agent in a manner designed to easily identify such listing firm or agent. Such identification shall be in a reasonably prominent location and provide clear, conspicuous written or verbal identification of the name of the listing firm and listing agent, and the email or phone number provided by the listing Participant. Displays of minimum information (e.g., a one- line or thumbnail search result, text messages, “tweets,” etc. of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. Audio delivery of listing content is exempt from this disclosure requirement only when all required disclosures are subsequently delivered electronically to the registered consumer performing the property search or linked to through the device’s application.
- f. **Modifications.** Broker Participants and R.E. Subscribers shall not modify or manipulate information relating to other Participants’ listings. Broker Participants and R.E. Subscribers may augment their IDX display of MLS data with applicable property information from other sources to appear on the same webpage or display, clearly separated by the data supplied by the MLS. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields.
- g. **Source and Update.** Information displayed shall indicate the MLS as the source of the information being displayed and the most recent date updated. Displays of minimum information (e.g., a one-line or thumbnail search result, text message, “tweets,” etc. of two hundred (200) characters or less) are exempt from the requirement but only when linked directly to a display that includes all required

disclosures. Audio delivery of listing content is exempt from this disclosure requirement only when all required disclosures are subsequently delivered electronically to the registered consumer performing the property search or linked to through the device's application. Broker Participants and R.E. Subscribers shall update all downloads and refresh all MLS downloads and IDX displays automatically fed by those downloads at least once every 12 hours.

- h. **Usage Limitations.** Broker Participants and R.E. Subscribers shall indicate on their displays that the information being provided is for consumers' personal, non-commercial use and may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing. Displays of minimum information (e.g., a one-line or thumbnail search result, text messages, "tweets," etc. of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. Audio delivery of listing content is exempt from this disclosure requirement only when all required disclosures are subsequently delivered electronically to the registered consumer performing the property search or linked to through the device's application.
- i. **Display Purpose.** Broker Participants and R.E. Subscribers may not use IDX-provided listings for any purpose other than display as provided in these rules. This does not require Broker Participants and R.E. Subscribers to prevent indexing of IDX listings by recognized search engines.
- j. **Restricted Display.** Listings, including property addresses, can be included in IDX display except where sellers have directed their listing brokers to withhold their listing or the listings property address from all display on the Internet (including, but not limited to, publicly accessible websites or **VOWs**)
- k. **Selective Listing Display.** Not all listings from the MLS must be displayed as long as any exclusions from display on Broker Participants' and R.E. Subscribers' IDX sites are based on objective criteria, e.g., type of property, listed price, listings status or geographical location. Selection of listings displayed on any IDX site must be independently made by each Participant.
- l. **Restricted Access and Distribution.** Sharing of the MLS compilation with any third party not authorized by the MLS is prohibited. Except as provided in the IDX policy and these rules, an IDX site or a Participant or user operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide, or make any portion of the MLS database available to any person or entity.
- m. **Brokerage Identification.** Any IDX display controlled by a Broker Participant or R.E. Subscriber must provide clear conspicuous written or verbal identification of the name of the brokerage firm under which they operate.
- n. **Third Party Comments and Automated Value Estimates.** Any IDX display controlled by a Broker Participant or R.E. Subscriber that (a) allows third parties

to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or (b) displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing, shall disable or discontinue either or both of those features as to the seller's listing at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by Broker Participants and R.E. Subscribers. Except for the foregoing and subject to section (o) below, a Broker Participant's or R.E. Subscriber's IDX display may communicate the Broker Participant's or R.E. Subscriber's professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its viewers that a particular feature has been disabled at the request of the seller.

- o. **Making Corrections.** Broker Participants and R.E. Subscribers shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of Broker Participants and R.E. Subscribers beyond that supplied by the MLS and that relates to a specific property. Broker Participants and R.E. Subscribers shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for that property explaining why the data or information is false. However, the Broker Participants and R.E. Subscribers shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment.
- p. **Advertising.** Deceptive or misleading advertising (including co-branding) on pages displaying IDX-provided listings is prohibited. For purposes of these rules, co-branding will be presumed not to be deceptive or misleading if the Broker Participant's and/or R.E. Subscriber's logo and contact information is larger than that of any third party.
- q. **Disclaimer.** Broker Participants and R.E. Subscribers shall indicate on their displays, in a manner readily visible to consumers but not less than 7-pt type, the following, or substantially similar, notice:
 - i. Bay East© [insert current year], CCAR© [insert current year], bridgeMLS© [insert current year]. Information Deemed Reliable but not Guaranteed. This information is being provided by the Bay East MLS, or CCAR MLS, or bridgeMLS. The listings presented here may or may not be listed by the Broker/Agent operating this website. This information is intended for the personal use of consumers and may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing. Data last updated at **(ADD DATE & TIME HERE)**.
 - ii. Displays of minimum information (e.g., a one-line or thumbnail search result, text messages, "tweets," etc. of two hundred (200) characters or less) are exempt from this requirement but only when linked directly to a

display that includes the required disclosure. Audio delivery of listing content is exempt from this disclosure requirement only when all required disclosures are subsequently delivered electronically to the registered consumer performing the property search or linked to through the device's application.

- r. **Photos.** Photos designated as 'private' in the MLS are excluded from public display. Displaying such photos on IDX websites is strictly prohibited.

For violation of this section, see Appendix A, Citable Infractions.

12.16.1 Notification by Authorized Broker Participants and Real Estate Subscribers. Broker Participants and R.E. Subscribers partaking in the display of IDX information of other brokers' listings pursuant to Section 12.16 must notify the MLS before displaying said IDX information and must give the MLS direct access as well as allow access for other MLS Participants for purpose of monitoring/ensuring compliance with applicable rules and policies.

For violation of this section, see Appendix A, Citable Infractions.

12.16.2 Right to Charge for Download. The MLS has the right to charge the costs of adding or enhancing its downloading capacity to Broker Participants and R.E. Subscribers who request downloading of listing information pursuant to Section 12.16.

12.16.3 Listing Broker's Right to Opt-Out of Internet Advertising of MLS Information. If the A.O.R. advertises MLS information on the Internet or licenses MLS information for advertising on the Internet, the listing broker shall have the right to opt out of such advertising in accordance with the MLS's procedures for opting out. The listing broker also shall have the right to refuse to have listings displayed on a blanket basis or on a listing-by-listing basis in accordance with Section 12.16 by affirmatively notifying the MLS in accordance with the MLS procedures for opting out. Notwithstanding anything in these rules and regulations to the contrary, the A.O.R. reserves the right to determine whether to provide Internet advertising services and whether such services are to be made available to non-A.O.R. members.

For violation of this section, see Appendix A, Citable Infractions.

- 12.17 Website Name and Status Disclosure.** MLS Participants' firm websites shall disclose the firm's name and state(s) of licensure in a reasonable and readily apparent manner. Websites of Subscribers affiliated with a Participant's firm shall disclose the firm's name and the Subscriber's state(s) of licensure in a reasonable and readily apparent manner.

For violation of this section, see Appendix A, Citable Infractions.

- 12.18 Use of the term MLS and Multiple Listing Services.** No MLS Participant or Subscriber shall, through the name of their firm, their URLs, their email addresses, their website addresses, or in any other way represent, suggest, or imply that the individual or firm is an MLS, or that they operate an MLS. Participants and Subscribers shall not

represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to Participants and Subscribers. This does not prohibit Participants and Subscribers from representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise.

For violation of this section, see Appendix A, Citable Infractions.

12.19 Virtual Office Website (“VOW”)

[Coinciding National Association of REALTORS® VOW Policy (“VOW Policy”) available [here](#), is adopted and incorporated herein]

a) Section 12.19.1

A Virtual Office Website (“VOW”) is a Participant’s Internet website, or a feature of a Participant’s website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS Listing Information, subject to the Participant’s oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a Participant (i.e., Subscriber) may, with his or her Participant’s consent, operate a VOW. Any VOW of a Subscriber is subject to the Participant’s oversight, supervision, and accountability.

- b) As used in Section 12.19 of these Rules, the term “Participant” includes a Participant’s affiliated non-principal brokers and sales licensees (i.e., Subscribers) – except when the term is used in the phrases “Participant’s consent” and “Participant’s oversight, supervision, and accountability.” References to “VOW” and “VOWs” include all VOWs, whether operated by a Participant, by a Subscriber, or by an Affiliated VOW Partner (“AVP”) on behalf of a Participant.
- c) “Affiliated VOW Partner” (“AVP”) refers to an entity or person designated by a Participant to operate a VOW on behalf of the Participant, subject to the Participant’s supervision, accountability, and compliance with the VOW Policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a Participant. No AVP has the right to use MLS Listing Information except in connection with operation of a VOW on behalf of one or more Participants. Access by an AVP to MLS Listing Information is derivative of the rights of the Participant on whose behalf the AVP operates a VOW.
- d) As used in Section 12.19 of these Rules, the term “MLS Listing Information” refers to active listing information and non-confidential pending and sold data provided by Participants to the MLS and aggregated and distributed by the MLS to Participants.

Section 12.19.2

- a) The right of a Participant’s VOW to display MLS Listing Information is limited to that supplied by the MLS(s) in which the Participant has participatory rights. However, a Participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.
- b) Subject to the provisions of the VOW Policy and these Rules, a Participant’s VOW, including any VOW operated on behalf of a Participant by an AVP, may provide other

features, information, or functions, e.g. Internet Data Exchange (“IDX”) as set forth in Rule 12.16.

- c) Except as otherwise provided in the VOW Policy or in these Rules, a Participant need not obtain separate permission from other MLS Participants whose listings will be displayed on the Participant’s VOW.

Section 12.19.3

(a): Before permitting any consumer to search for or retrieve any MLS Listing Information on his or her VOW, the Participant must take each of the following steps:

- (i) The Participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.

- (ii) The Participant must obtain the name of, and a valid email address for, each Registrant. The Participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of Use (described in subsection (d) below). The Participant must verify that the email address provided by the Registrant is valid and that the Registrant has agreed to the Terms of Use.

- (iii) The Participant must require each Registrant to have a username and a password, the combination of which is different from those of all other Registrants on the VOW. The Participant may, at his or her option, supply the username and password or may allow the Registrant to establish its username and password. The Participant must also ensure that any email address is associated with only one username and password.

(b) The Participant must ensure that each Registrant’s password expires on a date certain but may provide for renewal of the password. The Participant must at all times maintain a record of the name, email address, username, and current password of each Registrant. The Participant must keep such records for not less than 180 days after the expiration of the validity of the Registrant’s password.

(c) If the MLS has reason to believe that a Participant’s VOW has caused or permitted a breach in the security of MLS Listing Information or a violation of MLS rules, the Participant shall, upon request of the MLS, provide the name, email address, username, and current password, of any Registrant suspected of involvement in the breach or violation. The Participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant.

(d) The Participant shall require each Registrant to review, and affirmatively-express agreement (by mouse click or otherwise) to, a “Terms of Use” provision that provides at least the following:

- i. That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant;

- ii. That all information obtained by the Registrant from the VOW is intended only for the Registrant’s personal, non-commercial use;

- iii. That the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW;

iv. That the Registrant will not copy, redistribute, or retransmit any of the information provided except in connection with the Registrant's consideration of the purchase or sale of an individual property;

v. That the Registrant acknowledges the MLS's ownership of, and the validity of the MLS's copyright in, the MLS database.

(e) The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. Any agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.

(f) The Terms of Use Agreement shall also expressly authorize the MLS, and other MLS Participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of Participants' listings by the VOW. The Agreement may also include such other provisions as may be agreed to between the Participant and the Registrant.

Section 12.19.4: A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions, or get more information, about any property displayed on the VOW. The Participant, or a non-principal broker or sales licensee licensed with the Participant (i.e., Subscriber), must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW.

Section 12.19.5: A Participant's VOW must employ reasonable efforts to monitor for, and prevent, misappropriation, "scraping," and other unauthorized use of MLS Listing Information. A Participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS.

(NOTE: MLSs may adopt rules requiring Participants to employ specific security measures, provided that any security measure required does not impose obligations greater than those employed by the MLS.)

Section 12.19.6

(a) A Participant's VOW shall not display listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.

(b) A Participant who lists a property for a seller who has elected not to have the property listing, or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision:

Seller Opt-Out Form

1. Please check either Option a or Option b

a. ☐ I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet.

OR

b. ☐ I have advised my broker or sales agent that I do not want the address of the listed property to be displayed on the Internet.

2. I understand and acknowledge that, if I have selected option a, consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their search.

initials of seller

3. The Participant shall retain such forms for at least one year from the date they are signed, or one year from the date the listing goes off the market, whichever is greater.

Section 12.19.7:

- a) Subject to subsection (b), a Participant's VOW may allow third parties.

(i) to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or

(ii) display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing.

- b) Notwithstanding the foregoing, at the request of a seller the Participant shall disable or discontinue either or both of those features described in subsection (a) as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all Participants' websites. Subject to the foregoing and to Section 12.19.8, a Participant's VOW may communicate the Participant's professional judgment concerning any listing. A Participant's VOW may notify its customers that a particular feature has been disabled "at the request of the seller."

Section 12.19.8: A Participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the Participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The Participant shall correct or remove any false information relating to a specific property within 48 hours following receipt of a communication from the listing broker explaining why the data or information is false. The Participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 12.19.9: A Participant shall cause the MLS Listing Information available on its VOW to be refreshed at least once every 12 hours.

Section 12.19.10: Except as provided in these rules, the VOW Policy hereto, or any other applicable MLS rules or policies, no Participant shall distribute, provide, or make accessible any

portion of the MLS Listing Information to any person or entity.

Section 12.19.11: A Participant's VOW must display the Participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used.

Section 12.19.12: A Participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property.

Section 12.19.13: A Participant who intends to operate a VOW to display MLS Listing Information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the

MLS and to all MLS Participants for purposes of verifying compliance with these Rules, the VOW Policy and any other applicable MLS rules or policies.

Section 12.19.14: A Participant may operate more than one VOW himself or herself or through an AVP. A Participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOWs on his or her behalf. However, any VOW operated on behalf of a Participant by an AVP is subject to the supervision and accountability of the Participant.

Section 12.19.15: A Participant's VOW may not make available for search by, or display to, Registrants any of the following information:

- a. Expired or withdrawn listings (Hold, Cancelled).
- b. The type of listing agreement, i.e., exclusive right to sell or seller reserve.
- c. The seller's and occupant's name(s), phone number(s), or e-mail address(es).
- d. Instructions or remarks intended for buyer brokers only, such as those regarding showings or security of listed property.

Section 12.19.16: A Participant shall not change the content of any MLS Listing Information that is displayed on a VOW from the content as it is provided in the MLS. The Participant may, however, augment MLS Listing Information with additional information not otherwise prohibited by these Rules or by other applicable MLS rules or policies as long as the source of such other information is clearly identified. This rule does not restrict the format of display of MLS Listing Information on VOWs or the display on VOWs of fewer than all of the listings or fewer than all of the authorized information fields.

Section 12.19.17: A Participant shall cause to be placed on his or her VOW in a manner readily visible to consumers but not less than 7-pt type, the following, or substantially similar notice:

Based on information from the _____/Association of REALTORS® (alternatively, from the ____MLS) as of _____(date the AOR/MLS data was obtained). All data, including all measurements and calculations of area, is obtained from various sources and has not been, and will not be, verified by broker or MLS. All information should be independently reviewed and verified for accuracy. Properties may or may not be listed by the office/agent presenting the information. A Participant's VOW may include other appropriate disclaimers necessary to protect the Participant and/or the MLS from liability.

Section 12.19.18: A Participant shall cause any listing that is displayed on his or her VOW to

identify the name of the listing firm and the listing broker or agent, and the email or phone number provided by the listing Participant, in a readily visible color, in a reasonably prominent location, and in typeface no smaller than the median typeface used in the display of listing data.

Section 12.19.19: A Participant shall limit the number of listings that a Registrant may view, retrieve, or download to not more than 500 current listings and not more than 500 sold listings or fifty percent (50%) of the listings in the MLS, whichever is less in response to any inquiry.

Section 12.19.20: A Participant shall require that Registrants' passwords be reconfirmed or changed every 90 days.

Section 12.19.21: A Participant may display advertising and the identification of other entities ("co-branding") on any VOW the Participant operates or that is operated on his or her behalf. However, a Participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this Section, co-branding will be presumed not to be deceptive or misleading if the Participant's logo and contact information (or that of at least one Participant, in the case of a VOW established and operated on behalf of more than one Participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all Participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party.

Section 12.19.22: Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by the MLS.

Section 12.19.23: Where a seller affirmatively directs their listing broker to withhold either the seller's listing or the address of the seller's listing from display on the Internet, a copy of the seller's affirmative direction shall be provided to the MLS within 72 hours.

Section 12.20: Applicability of Rules to MLS or Association. Nothing in these rules shall limit the right of the A.O.R. or MLS to enter into licensing agreements with third parties for use of the MLS compilations or any portion thereof in accordance with terms approved by the Board of Directors.

12.21 Participant and Subscriber Standard of Conduct. The services that Participants and Subscribers provide to their clients and customers shall conform to the standards of practice and competence which are reasonably expected in the specific real estate disciplines in which they engage; specifically, residential real estate brokerage, real property management, commercial and industrial real estate brokerage, real estate appraisal, real estate counseling, real estate syndication, real estate auction, and international real estate.

Participants and Subscribers shall not undertake to provide specialized professional services concerning a type of property or service that is outside their field of competence unless they engage the assistance of one who is competent on such types of property or services, or unless the facts are fully disclosed to the client. Any persons engaged to provide such assistance shall be so identified to the client and their contribution to the assignment should be set forth.

13. LOCKBOXES

13.1 Eligibility for Lockbox Privileges. MLS Participants and Subscribers are eligible for

lockbox privileges if they otherwise qualify under this section. Unlicensed Clerical users are not eligible for lockbox privileges. MLS Participants, Subscribers and licensed assistants shall be eligible to hold a lockbox key (defined as a physical or electronic key, programmer, or another device by which a lockbox can be opened) provided:

- a) The key holder signs a lease agreement with AOR.
- b) The Participant to which the key holder is licensed cosigns the lease agreement with the AOR.
- c) The key holder continues to comply with all MLS rules relating to lockbox keys.
- d) The key holder and Participant to whom the key holder is licensed remain eligible for MLS services.

13.2 Key Use and Service. Keys may not be used under any circumstances by anyone other than the key holder, including, but not limited to, lending, borrowing, or sharing keys with others, except as expressly permitted under the Managed Single Access provision of these Rules. The AOR does not provide service on keys or lock boxes to individuals who are not the registered lessee or owner of that key or lockbox. Keys may only be used for the purpose of facilitating the sale or lease of a listed property.

For violation of this section, see Appendix A, Citable Infractions.

13.2.1 Use of Lockbox Contents. Participants and Subscribers shall at all times follow the showing instructions published in the MLS. Participants and Subscribers shall not remove contents of the lockbox for purposes other than showing the home and shall promptly return the contents to the lockbox upon exiting the property. Participants and Subscribers shall keep lockbox contents in their possession at all times after removal from the lockbox. The lockbox and/or contents shall not be removed from the property site without prior consent from the listing agent.

For violation of this section, see Appendix A, Citable Infractions.

13.2.2 Lockbox Requirements. If any lockbox or other device giving access to On Market listed property for real estate professionals and/or service providers is authorized by the seller and/or occupant and is placed on or present on property listed through the Service, such lockbox or device must be one that is approved by Bay East. If a lockbox is placed on a property listed in the MLS, at least one approved lockbox accessible to Bay East Subscribers must be installed. For properties entered in the MLS that are located within the primary service area of a data share MLS, at least one electronic lockbox accessible to that MLS's Subscribers must also be installed. Other lockboxes may be used in addition to the required lockbox(es). To find the approved lockbox for a specific geographical area, a map and list of the neighboring Associations/MLSs [click here](#).

For violations of this section, see Appendix A, Citable Infractions.

13.3 Accountability. Key holders must account for keys at the time of any inventory conducted by the AOR or at any time requested by the AOR. Key holders who cease to participate or subscribe to the MLS shall return all key(s) in their possession to the AOR. Failure to return a key(s) will subject the key holder and/or the key holder's Participant to fines and penalties and to being responsible for all costs incurred by the AOR to secure the lock box key system as a result of the failure to return the key(s). Further, key lease agreements may contain a liquidated damages provision to offset some or all of the costs in reestablishing the security of

the system if it is determined that the security has been compromised through the negligence or fault of the key holder.

13.4 Deemed Unaccountable. Keys shall be deemed unaccounted for if a key holder refuses or is unable to demonstrate that the key is within the key holder's physical control.

13.5 Written Authority. Participants and Subscribers shall not place a lockbox on a property without written authorization from the seller and occupant if other than the seller. Inclusions in MLS compilations cannot be required as a condition of placing lockboxes on listed property.

For violations of this section, see Appendix A, Citable Infractions.

13.6 Listing Broker's Permission. No Participant or Subscriber may enter a property with or without a lockbox without the listing broker's permission. Such permission may be granted by the listing broker by specifying permission to use the lockbox through the MLS. Appraiser Participants are expressly prohibited from using lockbox keys to enter a property without either the owner's or listing broker's permission.

13.7 Eligibility for Managed Single Access. The AOR may permit use of the Supra Managed Single Access functionality, which allows a Participant or Subscriber keyholder to grant temporary, time-limited access to the lockbox of an active listing without transferring the keyholder's electronic key credential. Authorization may be provided to out-of-area licensed real estate professionals who do not have a Supra subscription, and non-licensed real estate service providers (unlicensed clerical, contractors, inspectors, stagers, appraisers, etc.). Single Access is not available or allowed for the general consumer or potential buyers not accompanied by a real estate agent.

13.7.1 Granting Single Access. Single Access may only be granted for an active property listed on the Bay East MLS and solely for business purposes directly related to the sale or lease of the property. Single Access shall not be construed as lending, borrowing or sharing keys.

13.7.2 Time Limit. Managed Single Access must be issued for a specific date and time (that includes a start and end time), expires at the conclusion of the authorized access period, and may not exceed 72 hours.

13.7.3 Responsibility of Issuing Keyholder. By authorizing Single Access, the issuing Participant and Subscriber agrees to the following:

- The issuing Participant and/or Subscriber has obtained the written consent of the seller prior to any entry onto the property by authorized real estate professionals and service providers.
- The recipient of the Single Access must meet the qualifications listed in 13.9 and follow the instructions outlined in 13.2.1, USE OF LOCKBOX CONTENTS.
- The issuing Participant and Subscriber assume full responsibility for the conduct of the temporary access recipient and for any misuse of damage of the lockbox or property arising from the granted access.

13.7.4 Auditing and Enforcement. The AOR may periodically review access logs to ensure compliance with the Rules. The AOR reserves the right to suspend, revoke or restrict Managed Single Access privileges, and to impose discipline in accordance with the MLS Rules for improper use or violation of this section.

13.8 Rules Violations. Failure to abide by rules relating to lockboxes as set forth in this section or failure to abide by the key lease agreement may result in discipline as provided in sections 14 and 15 of these rules, in addition to loss of or restriction on all lockbox and key privileges.

13.9 Right to Limit Access. The AOR reserves the right to refuse to issue, activate or reactivate a key or terminate an existing key lease agreement or otherwise limit access to lockboxes if, in its sole discretion, it determines the security of the system would be compromised by issuing such keys or granting access to lockboxes.

13.10 Removal. The lockbox must be removed within one (1) day after the close of escrow or expiration/cancellation of listing.

For violations of this section, see Appendix A, Citable Infractions.

14. VIOLATIONS OF RULES AND REGULATIONS

14.1 Grounds for Disciplinary Action and Sanctions. After a hearing by a hearing panel as provided in the *California Code of Ethics and Arbitration Manual*, the Board of Directors may take disciplinary action and impose sanctions against any Participant and Subscriber:

- a) For violation of any MLS rule.
- b) On the Participant's or Subscriber's being convicted, adjudged, or otherwise recorded as guilty by a final judgment of any court of competent jurisdiction of (1) a felony, or (2) a crime involving moral turpitude, or (3) on a determination by any court of competent jurisdiction, or official of the State of California authorized to make the determination, that the Participant or Subscriber violated a provision of the California Real Estate Law or a Regulation of the Real Estate Commissioner or the laws relating to Appraisers or a regulation of the OREA.
- c) For any violation of subsection (a) by any person, including but not limited to a clerical user or a salesperson, who is not a Participant or Subscriber but is employed by or affiliated with such Participant or Subscriber and was providing real estate-related services within the scope of the Participant's or Subscriber's license. Lack of knowledge by the Participant or Subscriber of such salesperson's conduct shall only go to mitigation of discipline imposed.
- d) For any violation of the NAR. Code of Ethics while a member of any Association of REALTORS®.

14.2 Sanctions. Sanctions or disciplinary action for violation of an MLS Rule may consist of one or more of those specified in the *California Code of Ethics and Arbitration Manual*.

14.3 Citations. The MLS & Business Technology Committee and/or Task Force(s), subject to

approval of the Board of Directors, may implement a schedule of fines for certain MLS rules violations and direct staff to issue citations for the specified MLS rules violations and implement a procedure whereby the Participant and Subscriber receiving the citation may (1) pay the amount specified on the citation, (2) request citation reconsideration (paper review) in accordance with the procedures set forth in the *California Code of Ethics and Arbitration Manual* (if such reconsideration procedure has been adopted by the MLS), or (3) or request a full hearing in accordance with the procedures set forth in the *California Code of Ethics and Arbitration Manual*.

15. PROCEDURES FOR MLS RULES HEARINGS

All MLS rules hearings shall be processed in accordance with the *California Code of Ethics and Arbitration Manual* as from time to time amended which is hereby incorporated by reference. Failure to abide by the procedures of the *California Code of Ethics and Arbitration Manual* shall be a violation of these MLS rules.

16. ARBITRATION

16.1 Mandatory Arbitration. By becoming and remaining a Participant or Subscriber in the MLS, each Participant and Subscriber agrees to submit disputes arising out of the real estate business which also arises out of, or is in conjunction with, any listing filed with the MLS or any appraisal, to binding arbitration with any other Participant or Subscriber of this MLS, or Participants or Subscribers of any other MLS who are authorized to have access to this MLS under Section 6 of these rules. Such arbitrations shall be governed by the California Code of Ethics and Arbitration Manual as from time to time amended which is hereby incorporated by reference. This shall be deemed an arbitration agreement within the meaning of Part 3, Title 9 of the California Code of Civil Procedure. Failure to submit to arbitration and abide by the arbitration award, including but not limited to timely payment of the arbitration award as provided herein shall be a violation of these MLS rules. And subjects Participants and Subscribers to possible suspension from the MLS and/or other penalties.

16.2 Other Arbitration Agreements. Notwithstanding any other provision of these rules, if any Participant or Subscriber enters into an agreement (either before or after a dispute arises) with another Participant or Subscriber to arbitrate a dispute utilizing non-Association facilities, such persons are not bound to arbitrate the dispute covered by such agreement under these rules utilizing AOR facilities.

16.3 Arbitration Between Association Members. Notwithstanding any other provision of these rules:

- (a) If all disputants are members of the same Association of REALTORS®, they shall arbitrate at that Association of REALTORS® in accordance with its rules.
- (b) If the disputants are members of different Associations of REALTORS®, they shall arbitrate in accordance with any applicable regional or shared professional standards agreement. In the absence of such an agreement, the disputants remain obligated to arbitrate at the California Association of REALTORS® (“C.A.R.”) in accordance with the C.A.R. Interboard Arbitration Rules.

16.4 Arbitration Involving Non-Association Members. Notwithstanding any other provision of these rules:

- (a) If all disputants are non-association members and they receive MLS services through the same AOR, they shall arbitrate at the AOR unless the AOR participates in a regional MLS, in which case, they shall arbitrate in accordance with any applicable regional agreements between the AOR and the regional MLS.
- (b) If one or more of the disputants are non-association members and all disputants receive MLS services through the same AOR, they shall arbitrate at the AOR unless the AOR participates in a regional MLS, in which case, they shall arbitrate in accordance with any applicable regional agreements between the AOR and the regional MLS.
- (c) If one or more of the disputants are non-association members and the disputants receive MLS services through different AORs and the AORs participate in a regional MLS, they shall arbitrate in accordance with any applicable regional agreements between the AORs and the regional MLS.
- (d) In the absence of a regional agreement regarding the location of the arbitration, any dispute under subsection (a)-(c) may be conducted at any AOR where the respondent(s) holds association membership or receives MLS services.

16.5 Same Firm. Arbitration between persons from the same firm shall not be available and is not mandated by these rules unless covered by arbitration rules relating to the obligations of AOR members to arbitrate.

16.6 Timing. For purposes of this Section 16, the duty to arbitrate shall be determined when facts giving rise to the dispute occurred. Therefore, a Participant or Subscriber shall have a duty to arbitrate if the person was an MLS Participant or Subscriber when facts giving rise to the dispute occurred. Termination of MLS participation or subscription shall not relieve the arbitration duty under this section for disputes that arose when the person was an MLS Participant or Subscriber. Requests for arbitration must be filed within one hundred and eighty (180) days after the closing of the transaction, if any, or after the facts constituting the matter could have been known in the exercise of reasonable diligence, whichever is later.

17. NONPAYMENT OF MLS FEES

17.1 Nonpayment of MLS Fees. If MLS fees, fines, charges or other amounts owed the MLS are not paid within one month after the due date, the nonpaying Participant, Subscriber and/or clerical user's MLS services shall be subject to suspension until such outstanding amounts are paid in full. The MLS may suspend MLS services under this section provided the MLS gives the Participant and/or Subscriber at least twenty (20) calendar days prior notice of the proposed suspension date. Such notice may be included with the original billing statement for MLS fees, fines or charges or any time thereafter. In the event the amounts owed remain unpaid for two (2) months after the due date, the nonpaying Participant and/or Subscriber's MLS services shall automatically terminate regardless of if notice of such termination is given.

17.2 Disputed Amounts. If a Participant and/or Subscriber disputes the accuracy of amount owed, the Participant and/or Subscriber may request a hearing before the Board of Directors. In order to request such a hearing, the Participant and/or Subscriber must first pay the disputed amount in whole, which may be refunded in whole or part in accordance with the Board of Directors' determination. Hearings under this section shall be conducted in accordance with the *California Code of Ethics and Arbitration Manual*. In the event the Board of Directors confirms the accuracy of the amount owed, the Participant and/or Subscriber shall also be subject to paying interest at the rate of ten (10%) per annum on such past due amounts.

17.3 Reinstatement. Any Participant and/or Subscriber whose MLS services have been

terminated for nonpayment of MLS fees may reapply for participation in the MLS. However, prior to being granted access, such Participant and/or Subscriber must pay all fees applicable to new applicants and all past due amounts owed, including paying interest at the rate of ten (10%) per annum on such past due amounts.

18. CHANGES IN RULES AND REGULATIONS

The rules and regulations of the MLS may be amended by a two-thirds vote of all members of the MLS & Business Technology Committee and/or Task Force(s), subject to approval by the Board of Directors. Any changes to these rules and regulations which are mandated by the National Association of REALTORS® shall automatically be incorporated into these rules and regulations and do not require MLS & Business Technology Committee and/or Task Force(s) or Board of Directors approval.

Appendix A – Citable Infractions With Reference to Applicable Rules

The purpose of this citation policy is to ensure the integrity of the MLS including the currency and accuracy of its information. Fines will be issued and processed in accordance with this Citation Policy. The citable offenses and fines are subject to change upon approval of the AOR/MLS Board of Directors. The Citation Policy is in addition to and does not replace the provisions of Section 14.3 of the Bay East MLS Rules.

- A. For the purpose of the citation schedule, violations are tracked on a two-year rolling basis from the date of each violation, not by calendar year. Counts reset two years after each violation and are tracked per rule, not across all rules.
- B. A listing that contains more than one violation per rules section on the same day will be treated as a single violation for purposes of the Fine Schedule. Multiple violations that occur on the same day but are reported separately are treated as a single violation.
- C. Notices of any violation will be sent to the Subscriber and their responsible Participant. A violation must be corrected within two (2) days of notice of violation. Failure to correct a noted violation within the two (2) daytime period allotted will result in a new violation for the uncorrected violation with the associated fine for that level of violation. Failure to correct a violation within the two (2) day correction period may also subject a non-conforming listing to removal by the MLS from active display. New violations may be issued for any remaining uncorrected violations until the violations are corrected or the maximum fine is reached as set forth below.
- D. The MLS Committee/Task Force(s) and/or the Board of Directors reserves the right, at its discretion, to charge a Participant or Subscriber with rules violations by virtue of the hearing process, including the possibility of additional fees or fines, suspension, or expulsion, rather than utilizing the citation process. Thus, the below fines may not be all-inclusive. Any Participant or Subscriber who accumulates in excess of 4 violations in two years, unless otherwise specified, shall be required to attend a hearing for their actions and potential violations of MLS rules. Additionally, the responsible Participant is required to attend any such hearing of a Subscriber.

Non-Payment of Fines / Mandatory Training

- Staff is to issue citations for the specified MLS Rules violation.
- Participant/Subscribers have 30 days to pay the fine or request a formal dispute in writing.
- If fines are not paid within the 30-day period, staff will issue a 24-hour notice informing the Participant/Subscriber that they have 24 hours to pay the fine or their MLS service will be suspended until receipt of payment.

- For each 4th violation a \$200 administrative fee will be charged unless stated differently.
- For each 4th violation attendance at a live MLS Orientation is required within 45 days of the violation notice.
- Failure to attend the live MLS Orientation within 45 days will result in suspension of MLS services until the requirement is fulfilled.
- Upon a 5th violation of the same MLS Rules section, the matter will be forwarded to Professional Standards for a hearing. If the hearing panel confirms a violation, a \$500 administrative fee will be assessed in addition to any fines or disciplinary measures.
- If the Participant or Subscriber wishes to formally dispute a violation, they must pay the fine in full first and then request in writing to dispute the violation via (1) A Citation Consideration Panel (paper review) or (2) A Full Due Process Hearing before the Professional Standards Committee per MLS Rule 17.2 Disputed Amounts and Section 8 of the California Code of Ethics and Arbitration Manual and the dispute must meet the qualifying grounds set forth in Section 8(c) of the Manual, specifically: (1) A factual dispute regarding the alleged violation (e.g., misapplication of the cited MLS rule), or (2) A procedural due process concern (e.g., improper notice or handling of the citation). Requests based solely on lack of intent or prompt correction do not meet the qualifying criteria under Section 8(c).
 - Citation Reconsideration Panel: This is a written review process conducted by three to five members of the Professional Standards Committee. No appearance or hearing is held. All materials are reviewed based solely on written submissions from the Participant and/or Subscriber and the MLS. The Panel may uphold, dismiss, or return the citation for correction of a procedural issue. The fine amount cannot be increased or decreased (unless dismissed in full). The Panel's decision is final; no further appeal or hearing may be requested once the Panel has issued its decision.
 - Full Hearing Before the Professional Standards Committee: A formal hearing allows the Participant and/or Subscriber to appear, present testimony, and submit evidence. The Hearing Panel's decision is subject to review by the Bay East Board of Directors. An administrative fee of \$500 is assessed should the Panel find a violation of the rule, in addition to any fines or disciplinary action taken by the Panel. If the Panel finds that no violation of the rule occurred, the fine will be refunded.
