## **Your Friday Update**

---

Hi there,

We hope this email finds you and your family safe and healthy with all the supplies you need. It has been a challenging week for everyone. With things changing so quickly, remember the one constant is **Bay East is here for you!**

Although both of our physical locations are closed, all Bay East staff can be reached using our same [contact information](#).

Do you have some time for online learning? Bay East is adding [webinars](#) and other remote opportunities daily.

Follow us on Bay East social media where we post important updates from the communities as well as some fun items to give you a laugh or two.

### **COVID-19**

Bay East, C.A.R., NAR, state and federal government agencies are all releasing updated information at a rapid rate.

We have compiled the links and information on [bayeast.org/covid-19-guide/](https://bayeast.org/covid-19-guide/) to help you find what you need quickly.

We will continue to send out information via our e-newsletters. Look for them each week:
