Government Affairs Action for the week of November 3, 2019

by David Stark, Public Affairs Director, Bay East Association of REALTORS®

Tougher Sign Rules Coming to Fremont

On Tuesday, November 5 the Fremont City Council moved forward on tougher open house sign rules.

The Council accepted City of Fremont staff recommendations to limit the total number of signs that may be displayed at an intersection, ban the placement of signs near historic buildings and require signs placed on sidewalks leave more space for pedestrians.

A final version of the new sign rules are expected to be approved in early 2020.

Please contact [David Stark](#) if you have questions about Bay East involvement in this issue and its position on the proposed new rules.

Hayward Hosts Home Building Incentives Workshop

The City of Hayward is hosting a forum for home builders to identify incentives to produce market-rate housing.

According to Hayward staff, the event is an opportunity for home builders to exchange ideas about incentives that will spur multi-family production and discuss barriers to housing production in Hayward.

The event is Thursday, November 14 at 11 a.m. at Hayward City Hall, 777 B Street, Room 2A. Register [here](#) no later than Monday, November 11.
