

BAYEAST**GOVERNMENT AFFAIRS / Weekly Report**

Government affairs update for the week of September 15, 2024

What really happens at city hall?

The California Association of REALTORS® (C.A.R.) is teaming up with Pepperdine University to educate REALTORS® about local government and how to get involved.

Pepperdine University's School of Public Policy and C.A.R.'s Center for California Real Estate (CCRE) are presenting a six-week virtual program open to all C.A.R. members at no charge.

The weekly sessions will explore local government funding, operations, how policy decisions are made and how you can play a role.

[The six-week program](#) is Mondays from 2 to 4:30pm from Oct 7 to Nov 11.

Help protect homeowners and defeat Prop 33

Proposition 33, which will be on the Nov. 5 ballot, will repeal the Costa-Hawkins Rental Housing Act, and allow cities and counties to expand rent control.

C.A.R. opposes Proposition 33 and needs your help. Resources are available [here](#) to spread the word including [yard signs](#).

If you have any questions about Bay East advocacy activities or any government-related real estate issues you want Bay East to research, contact [David Stark](#), Bay East Chief Public Affairs and Communications Officer.
