Meet the (potentially) Next Governor of California

The 2026 Primary Election is about three months away and the race for the next Governor of California is still wide open.

While campaign ads have been circulating for weeks, where do these candidates stand on REALTOR® issues?

The California Association of REALTORS® (C.A.R.) is hosting the Homeownership Matters [Gubernatorial Forum](#) on Thursday Mar 5, at 10 am.

According to C.A.R., each of the leading candidates have been invited and each will share their housing priorities, policy solutions, and visions for expanding homeownership opportunities for all Californians.

The Forum will be [livestreamed](#) and all REALTORS® are invited to watch and learn more about the candidates - one of them could be the next Governor!
