CRS Tax New Feature: ADA Functionality + Bilingual Reporting (Spanish)

CRS Data recently made critical enhancements to expand reach and inclusion. These upgrades include ADA functionality improvements that will help members service those with disabilities by meeting the Americans with Disabilities Act Standards for Accessible Design (ADA) and providing a Spanish reporting option (email and print) so that users can better assist their Spanish-speaking clients.

You can [watch a video](#) about the experience and the new functionality [here](#). Click on the "CC" tab at the bottom of the video player to select English or Spanish captions.
