Pleasanton, California (September 28, 2017) – The Bay East Association of REALTORS® (Bay East) is extending a helping hand to natural disaster victims in Florida, Texas and California.

This week the Bay East Board of Directors approved a \$10,000 contribution to the Texas Association of REALTORS® Relief Fund and \$10,000 to the Florida Association of REALTORS® Disaster Relief Fund. Both programs are helping victims recover from the recent devastating floods and hurricanes.

Bay East also provided \$5,000 in assistance to the Mariposa Association of REALTORS® in response to the fires that swept through that community earlier this summer.

“The real estate community is always prepared to be involved, compassionate and responsive,” said William Doerlich, 2017 Bay East President. “The assistance Bay East is providing on behalf of its members will help in the recovery and rebuilding of communities, lives and livelihoods.”

Bay East is asking its members to help individually. “I encourage each of our members to also contribute as they can through other charities and non-profits that can affect healing these communities and their families,” Doerlich said.
