

## Paragon Enhancements May 3, 2022

### Information About Pool

To easily search for properties with a swimming pool, the following changes will be implemented.

1. Selections for Pool

	Current Drop-Down Options	After May 3
<b>Field: Pool</b>	Yes	Private
	No	Community
		No

2. Due to the addition of “Private” and “Community” within the Pool field, the following two feature selections will be removed from Feature Category Z-POOL:

Z4 Community Facility and

Z23 Private

Any listings with those selections will be automatically updated within the system.

### Showing Access Information for Coming Soon Listing

To provide clarity if a Coming Soon listing is available to show or not; a new required field will be added when a listing is added under that status.

New Field	Option to Select under that field
<i>Available to Show</i>	Show
	No Show
	Contact Listing Agent

### Updating Names of Some Selection Options Under Feature Category G “Disabled Features”

To meet industry standards, some selection option names will be updated:

Current Paragon Feature Names	Updated Paragon Feature Names
G1 - Disabled Bath Feat	Accessible Full Bath
G2 - Disabled Kit Feat	Accessible Kitchen
G3 - Elevator	Accessible Elevator Installed
G4 - Flashing Drbell Warning	Accessible for Hearing-Impairment
G5 - Halls/Doors - 3 Ft Wide	Accessible Hallway(s)

G6 - Lower Light Switches	Accessible Electrical and Environmental Controls
G8 - Wheelchair Ramp(s)	Accessible Approach with Ramp
	<b>Two new selection options will be added</b>
	Accessible Doors
	Grab Bars

### **Updating Buyer Agent Lookup When Marking Listings Pending/Sold**

With the data share, Listing Agents were not able to select buyer agent's name if they were not a member of Paragon MLS. With the update, this issue will be resolved. You will be able to select the buyer agent's name from the NORCAL Alliance network.

### **New Login Page for Paragon**

The Paragon login page will get a new look. With this new look, you will have the ability to save your username and password.
