

How to search by MLS#

Because we are pulling listings from 5 other MLSs, prefixes are added in front of the MLS#. When you are searching by MLSs, please remember to add the prefix in front of the listing number.

Name of MLS	Prefix added in front of the MLS Number	Example
Paragon	None	40001236
MLSlistings	ML	ML81807636
MetroList	ME	ME20075203
BAREIS	BA	BA22019633
San Francisco	SF	SF500781
